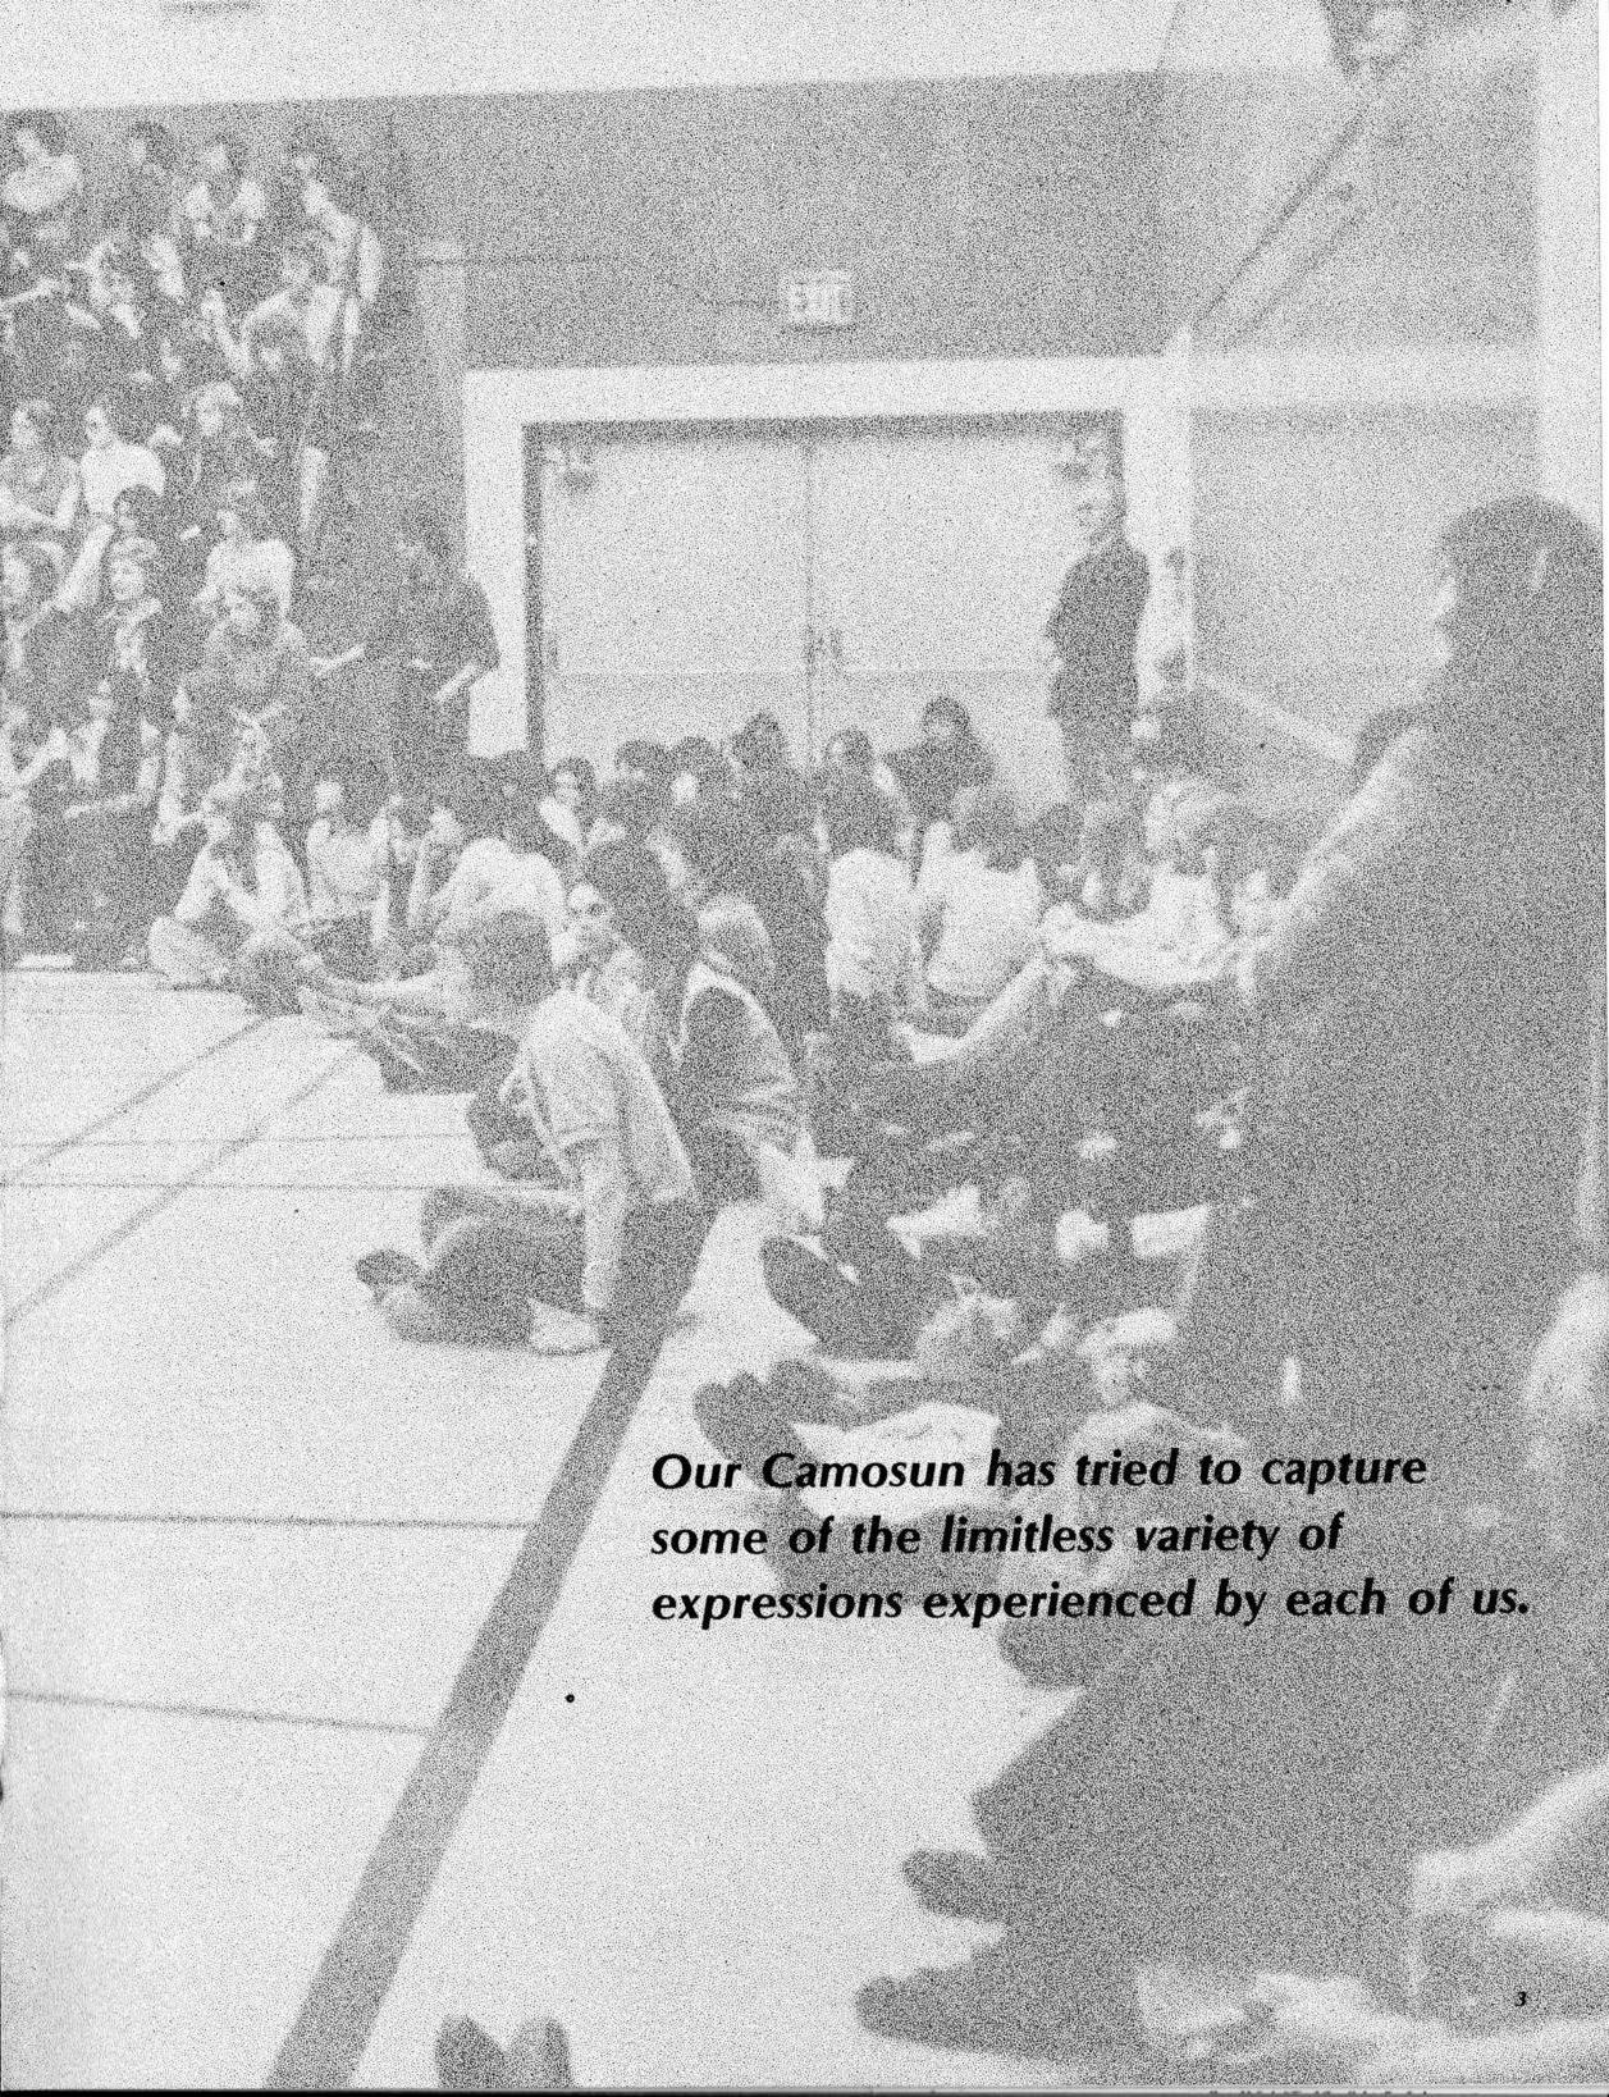
The Camas flower has inspired the name of Victoria High's yearbook since 1905. This flower is enduring, just as Vic High is and our school spirit should be.

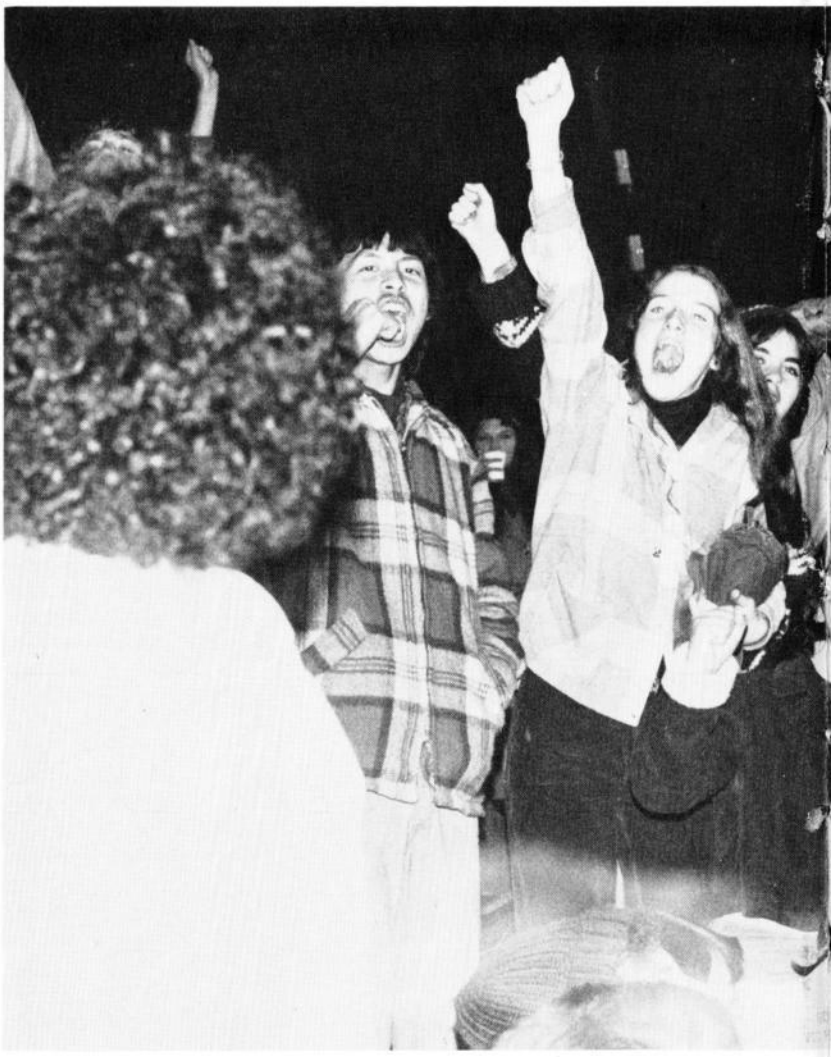
Our thanks go to Georgia Papaloukas for her time and effort spent on designing the Camas on our cover.



Our Camosun has tried to capture some of the limitless variety of expressions experienced by each of us.

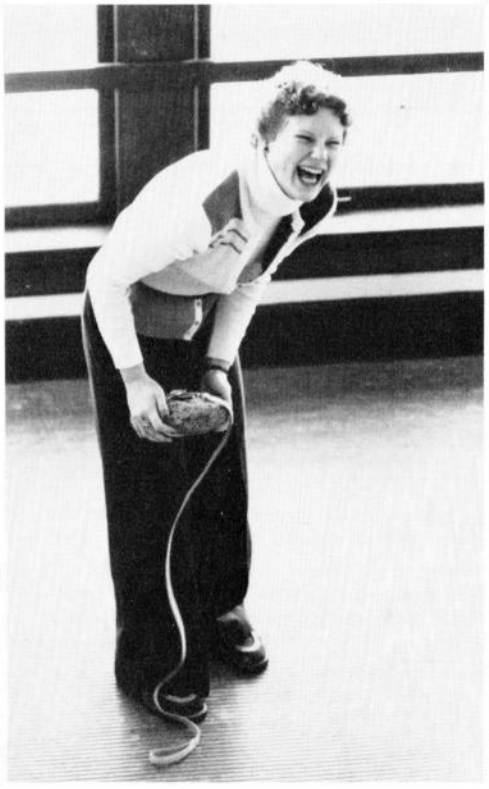
Memories of our past will enlighten future moments of serenity.

"Since when did Candid Camera make pool calls?"

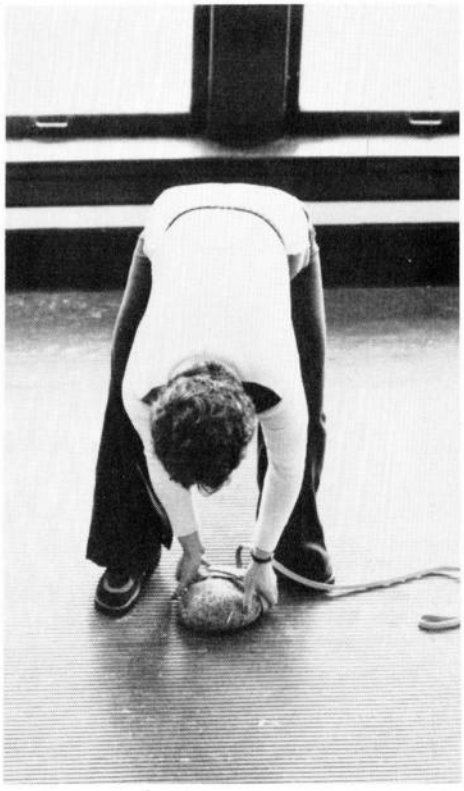


"We're No. 1!"

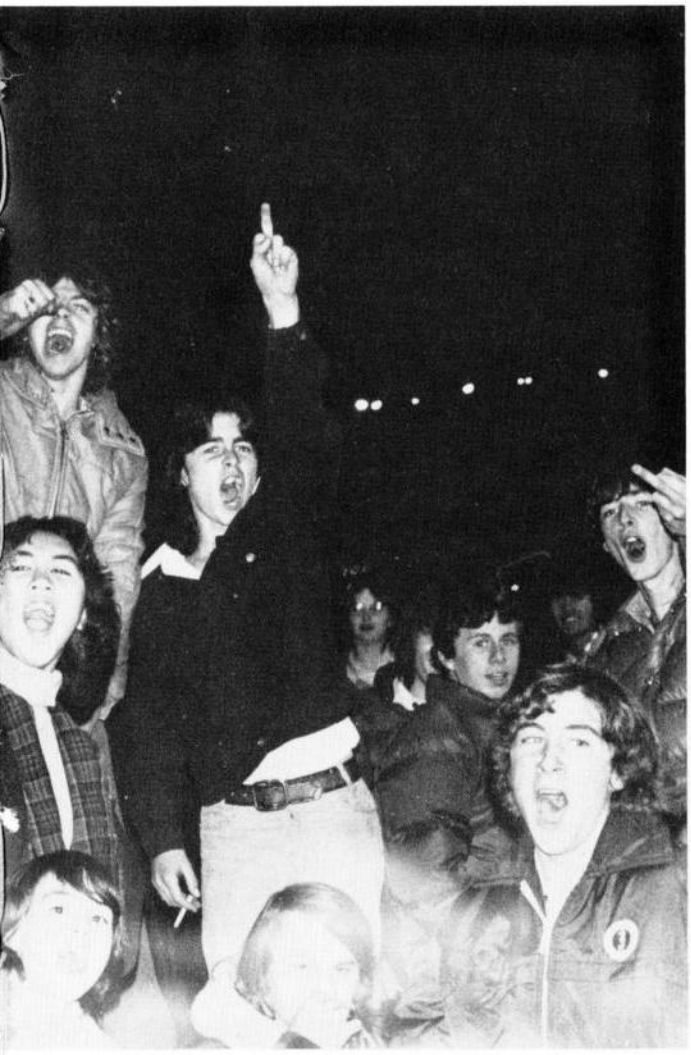
"Heel!"

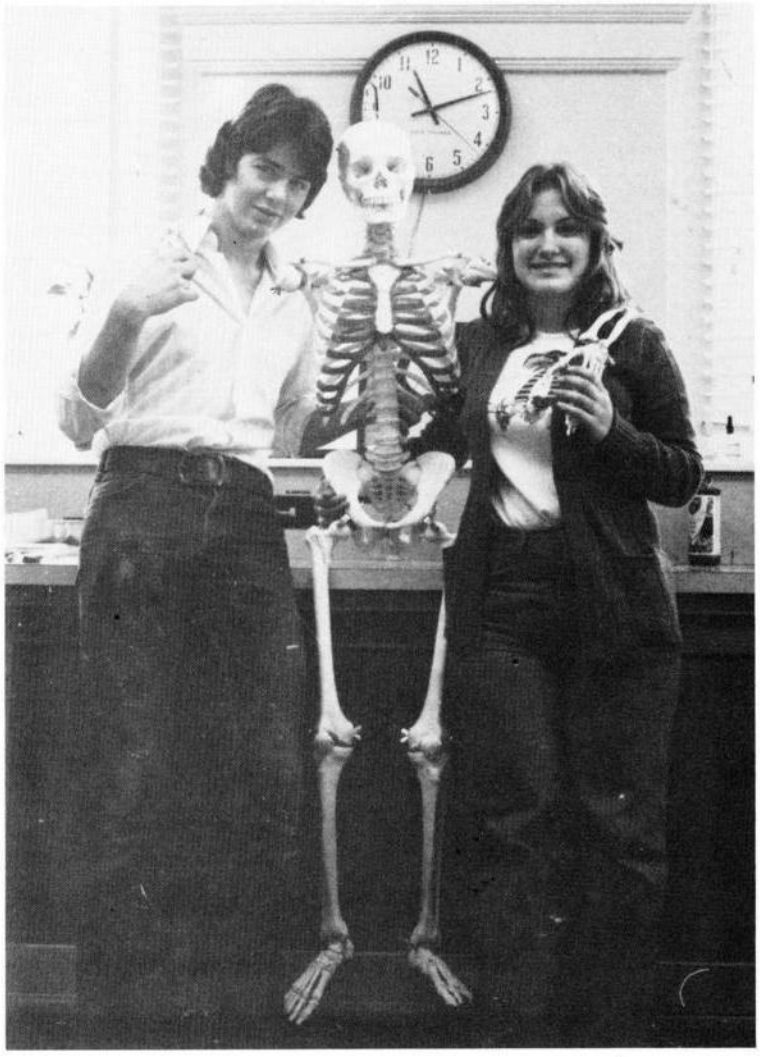


"Down Boy!"



"Sit Fido!"



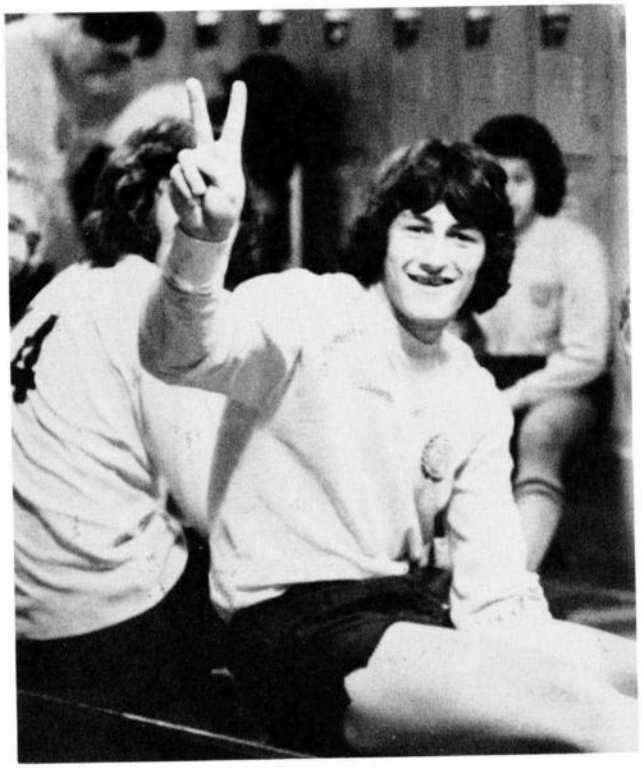


The three Muskeletons!

I don't like to blow my own horn, but . . . "

Expressions in their different forms we've all seen and expressed . . .

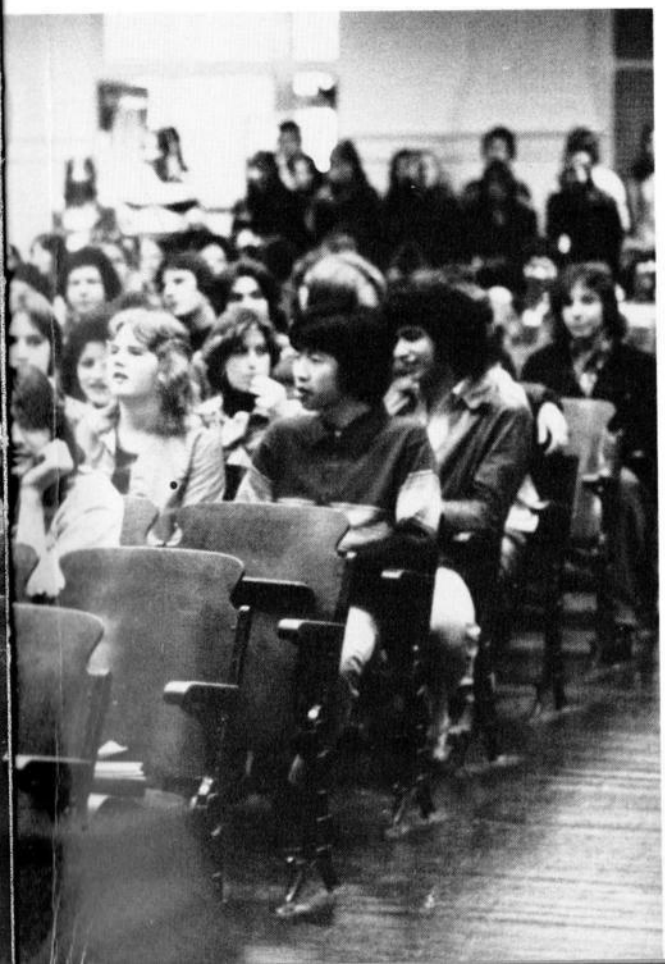
"Let us entertain you, let us make you smile."

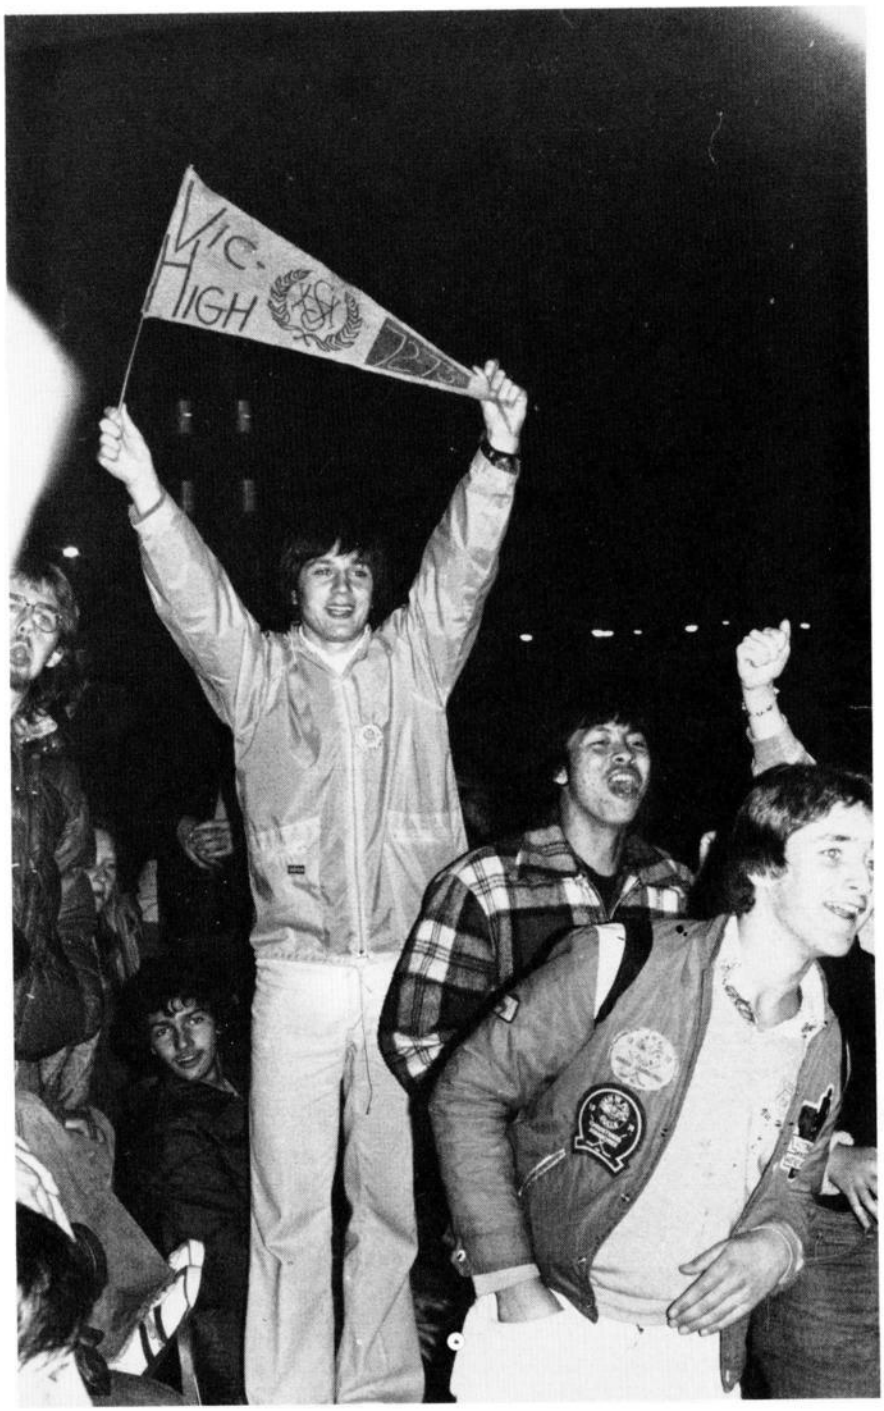


"That's 'V' for Vayne Vindsor."

. . . reproduced by the camera lens.

Ain't it the truth!



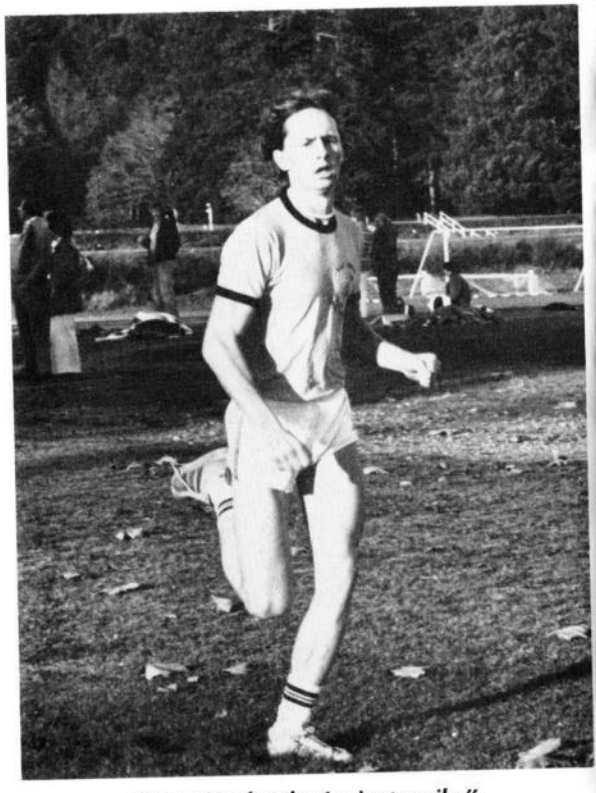


The flag's the wrong year, but the school spirit's still the same!

"And now, ladies and gents, for something completely different!!"

Changing moods mirrored on our countenances . . .

Surprise, you're on Candid Camera!



"I'm trying for the 1-minute mile."

Cheers!

. . . captured for eternity.

"But sir, I swear I didn't write on her back!"

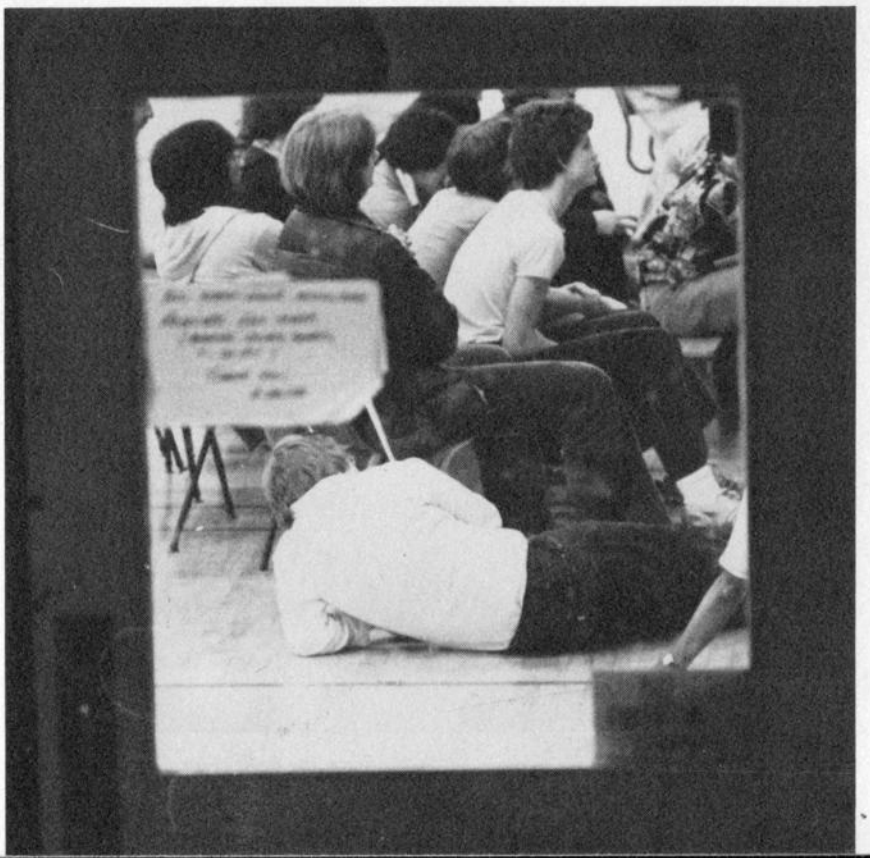
"Gee! Crazy Glue really works! Sticks feet to a ceiling."

Time for Reflection.

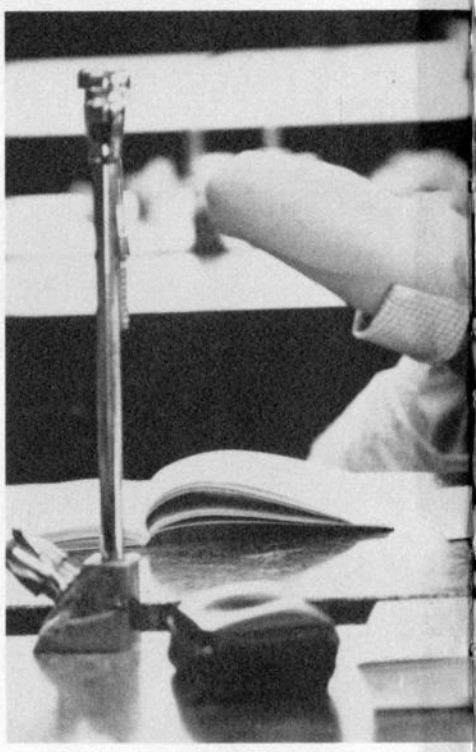
Expressions reflect not only moments of peace . . .

"I think it's either a male or a female."

"Mommy! What are you doing here?"

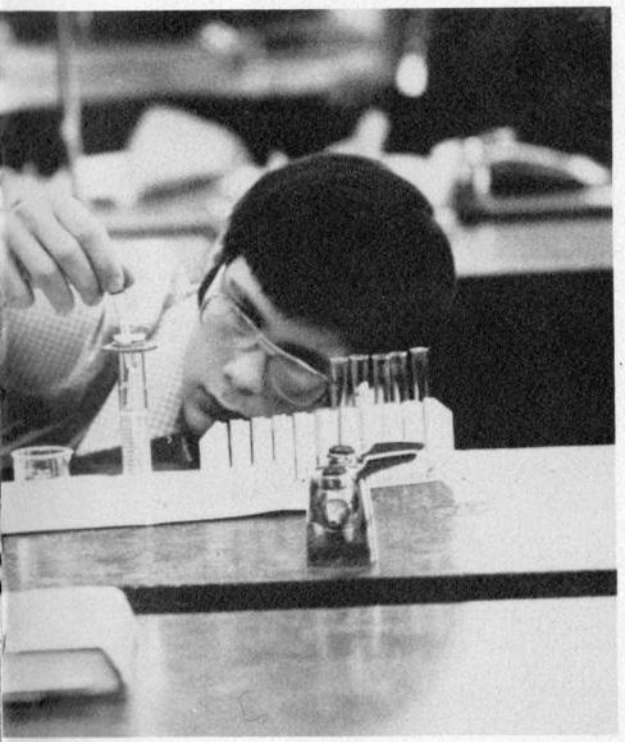


"No sleeping on the job, Darryl."

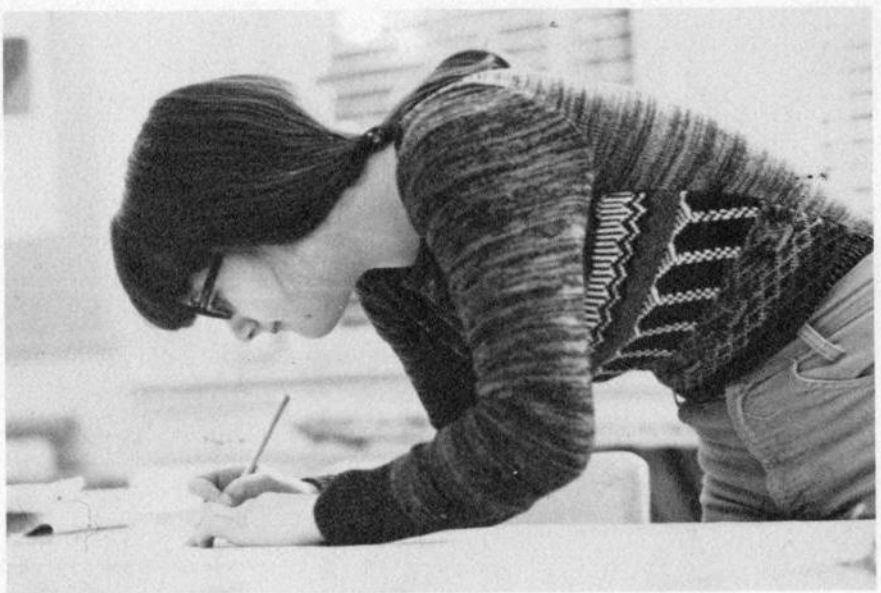


but also those tedious times of work, worry, and effort.

"Did you hear the one about . . ."



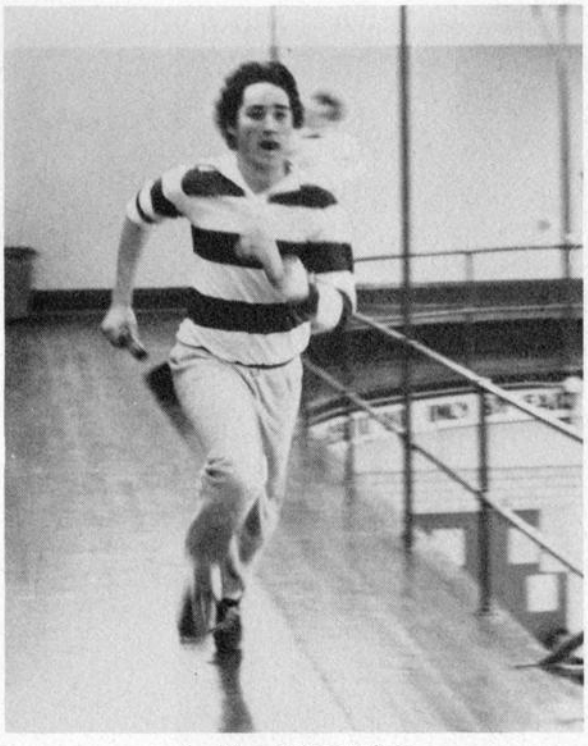
. . . and one drop of nitroglycerine.



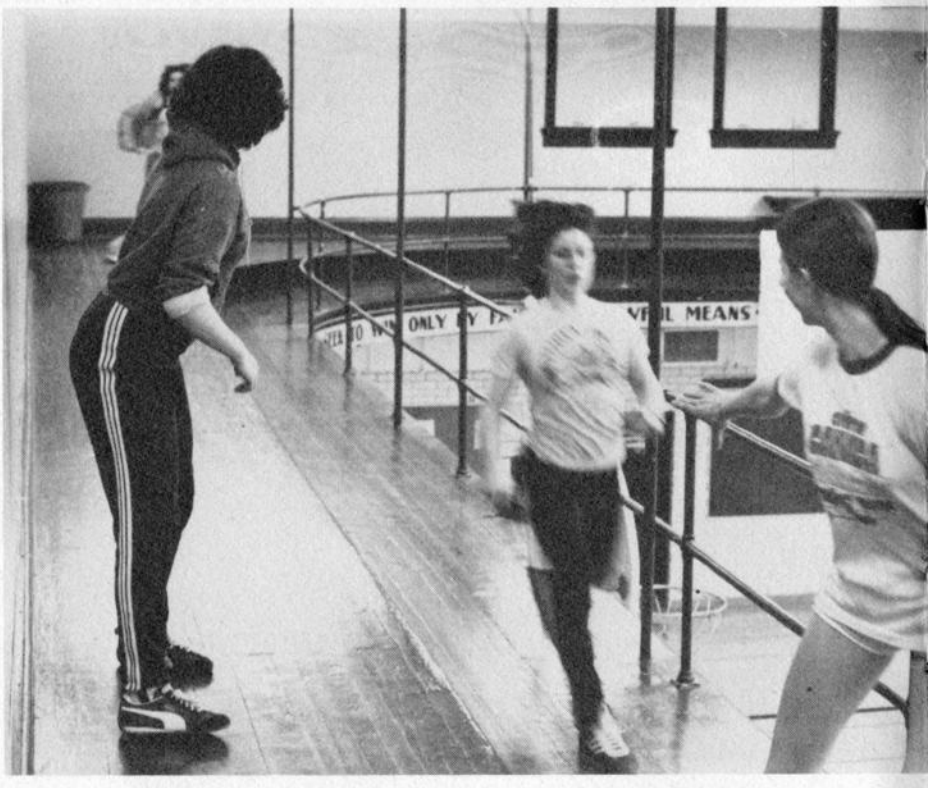
Cheryl McGavin drawing another STRAIGHT line.

"Take that!"

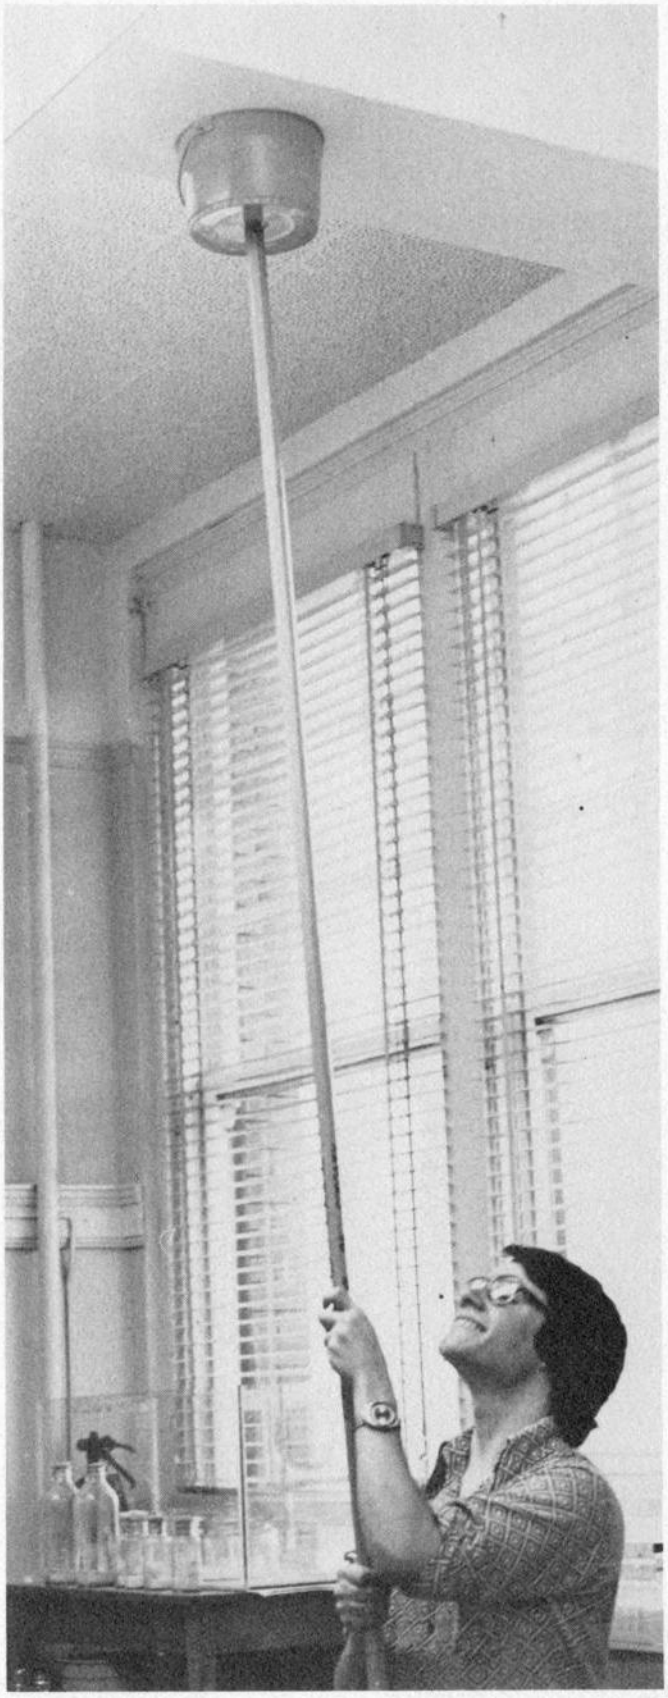
The future Michelle-angelo.



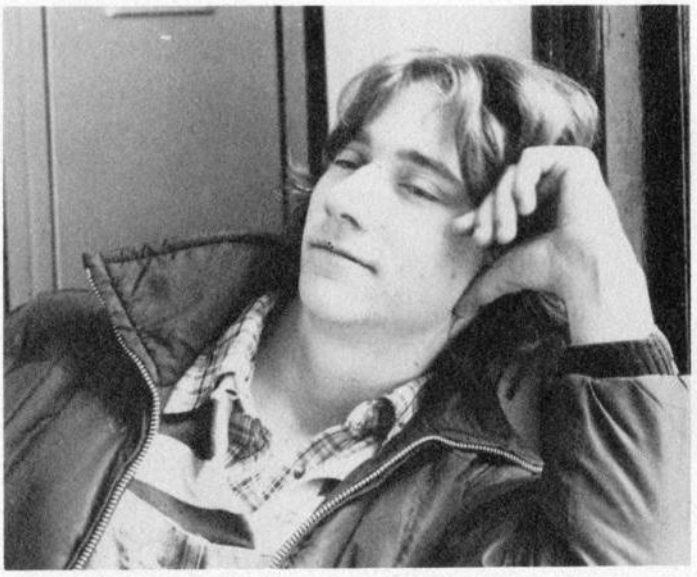
6 million dollar student.



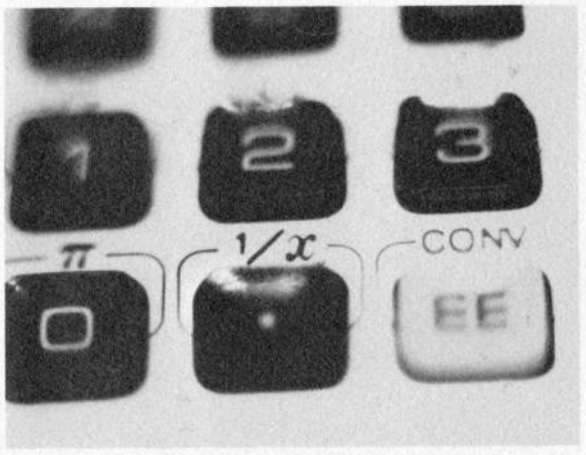
Playing tag on the balcony.



"Sir, can I go home now?"



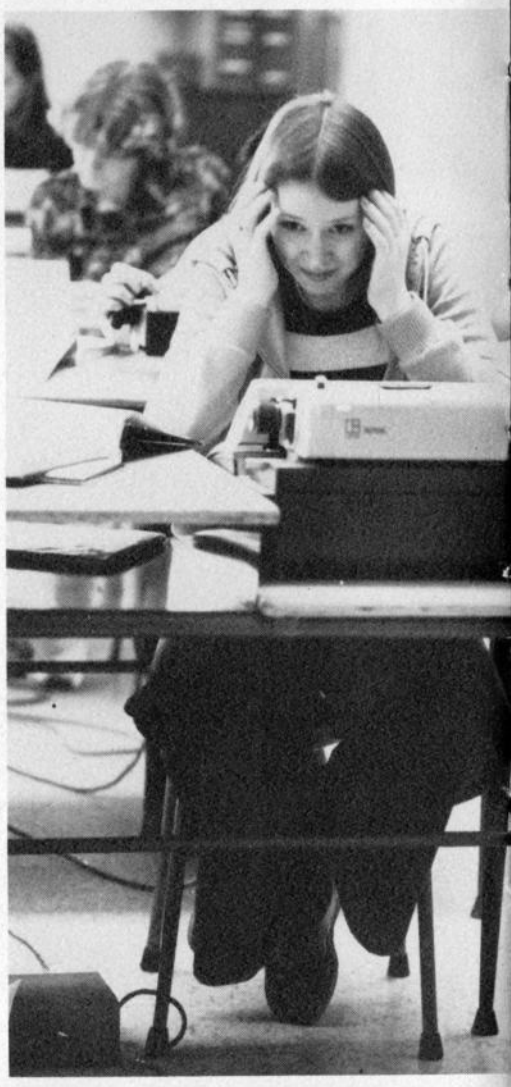
9:05 A.M.



2 dogs plus 3 cats equals 2 COGS and 3 DATS.

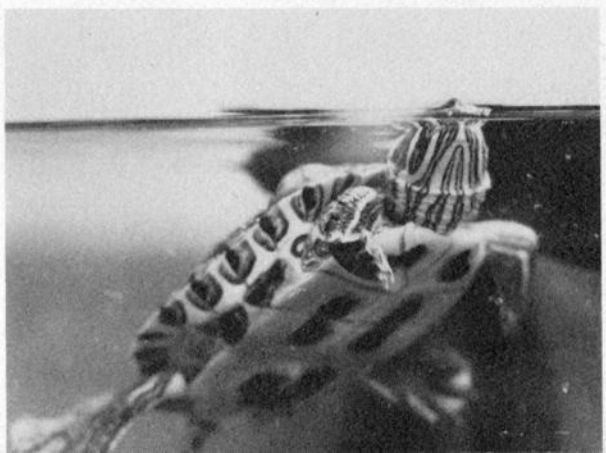
Confucius say, "He who stay out in rain get wet."

Spinning Jenny.

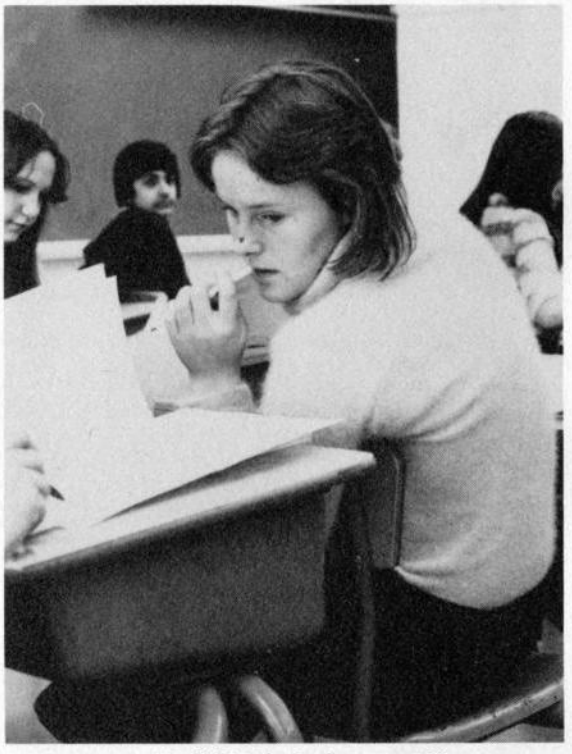


Confusion

"Now, for a breath of fresh air."

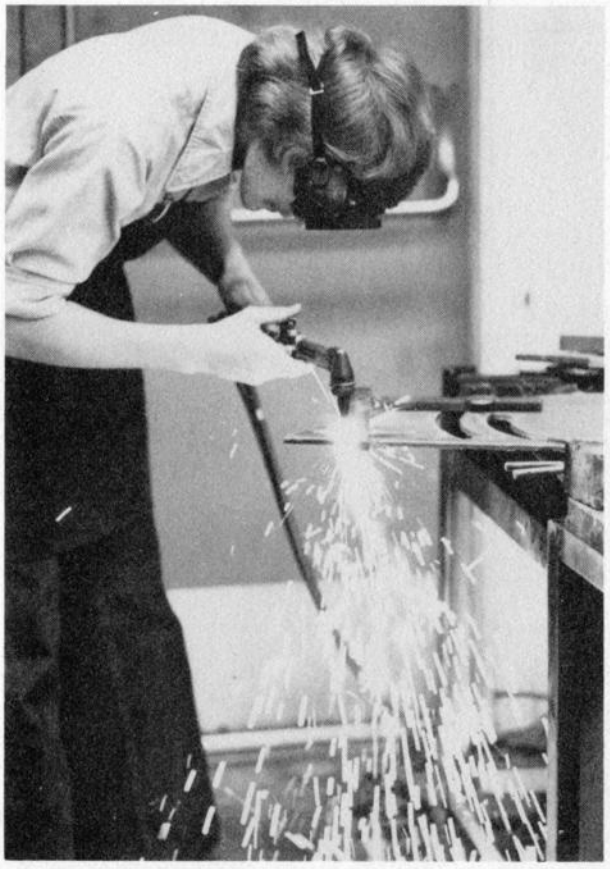


The happy homemaker.



"Quick! What's the answer?"

"Seawater. Only five cents a glass."

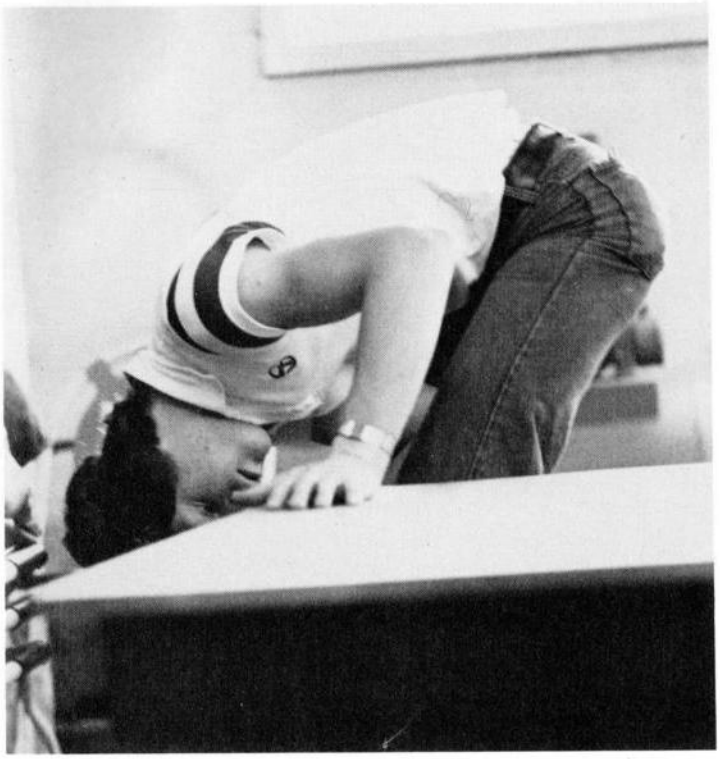


Hot stuff.

Syd Spencer sizing up the opposition.

"Can you repeat that again?"

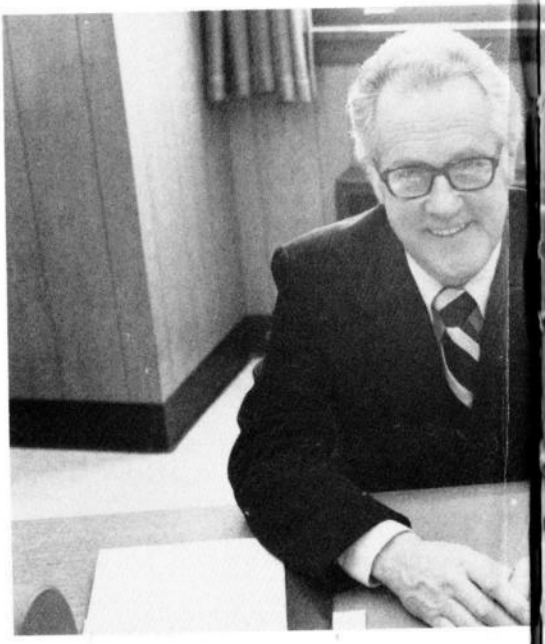
A meating place.



"What are you doing in there . . . Oh, I see."

Administration Gets Us Through The Year Again

Mr. J. D. Lorimer, Principal



This year has been an important one in the history of Victoria High School. It is the first of our second century, and a year we can look back on with pride. Through the combined efforts of students and staff we have experienced successes in many areas, particularly in drama and in sports.

Once again you, the Editors and Staff of the Camosun, have produced for us an Annual that is a fitting climax to a great year. We all owe you a vote of thanks for the many, many hours of work required to produce such a splendid publication.

To our Grads, we wish you well. It is our hope that the years spent at Vic High will have prepared you well for the years ahead. You now join the many thousands who have left us, but still regard Victoria High School as a very special place.

Mr. R. Reid, Vice Principal

The theme of this year's Camosun is expression. In leafing through its pages, one will see outstanding examples of this theme — the sensitivity and beauty of art, poetry, prose and photography. Self-expression is reflected in the craftsmanship of the industrial education programme by which hand and mind are trained as one; in the talent of the band and choir programmes through which sounds are blended as an expression of harmony. Moreover, the theme is to be found in the struggle for and attainment of success in an athletic programme which stresses sportsmanship and character development as well as winning the game. Surely one of the finest examples of artistic expression was the excellent production of Romanoff and Juliet. Further, the striving for academic excellence by a dedicated staff and motivated students continues a tradition established in 1876 in the founding of Vic High. Thus, in this first year of our second century we are fulfilling the school motto, "Palma Non Sine Pulvere" — No Reward Without Effort.

May you all have a successful and happy future.

Parliament Makes It Through The Year

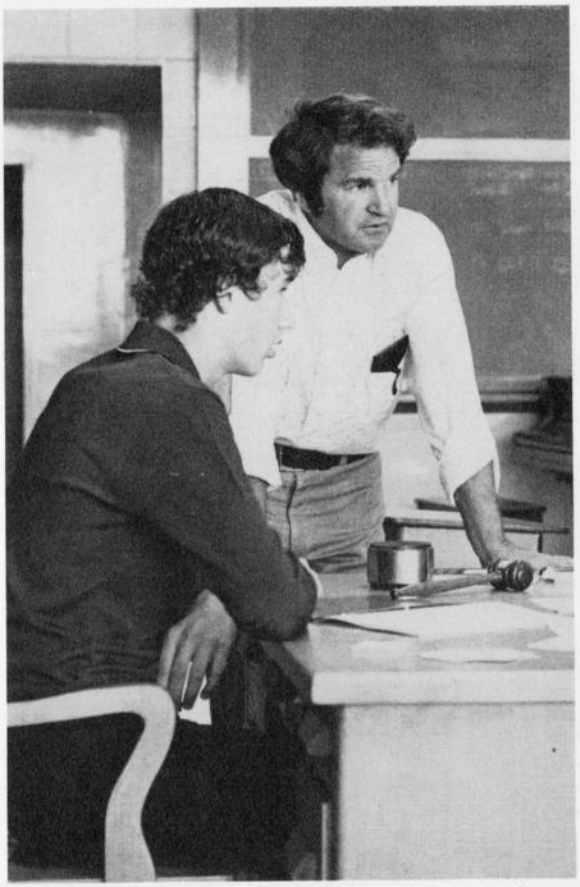
Rag and the Cabinet

Rag Basi, Prime Minister

And as another episode in the history of Vic High draws to a close, so does complaining about messy locker partners, so does making feeble excuses for missing last period, so does planning for Friday night even though it's Monday morning, and so does all the other good things about high school life. Personally, I'd like to thank my Cabinet for being there to help me and prevent a serious breakdown, the student body (males as well as females) for supporting me when it was needed, also all the unnoticed people who always play a big part. Special thanks go to the Governor-General, Mr. Wickstrom, Mr. Lorimer and Mr. Reid for putting up with my pestering of little things. For those of you returning next year, good luck, and take the school one step closer to perfection. For those of you not returning, I have only to say that even though all our roads met at Vic High, the time has now come to take our separate paths. May you all find your yellow brick road, which overlaps with mine many times. Thank you.

With Best Wishes,

Rag Basi



Speaker of the House John DeGoede and Governor General Mr. Wickstrom counting heads.

Victoria High School has left its mark on each individual who has gone through the main doors of this, the fourth Vic High. For many of you it is your turn to go through those doors for the last time as a student of Victoria High School, yet we can never end the continuous process called education. During this past year we have tried to add to our surroundings in order to make our hardships a little more bearable. I hope that your past years at Vic High enabled you to do things that may not have been possible otherwise.

Vic High has always attempted to utilize one's enthusiasm
— the enthusiasm to learn
— the enthusiasm to have some fun
— and most importantly, the enthusiasm to endure when the above is not possible!

There are many people that I would like to thank, for without them Vic High could not operate. Thanks go to the entire student body, the Cabinet, the Speaker — John DeGoede, the Governor General — Mr. Wickstrom and to all the teachers for their sponsorship of all the activities. I would like to thank Mr. Reid for his patience and concern in organizing a wide variety of activities, in particular the dances and for chairing the Grad Committee. Special thanks go to Mr. Lorimer for his open door policy, and his concern in keeping our unique form of student government.

To all the undergrads next year is your year and with patience and enthusiasm Vic High's 102nd year will be better than ever. To all the grads — may you succeed in your future plans.

Good luck to all and have a good summer.

As I sit by the beach
With the sun in my eyes
I can no longer see your image.

For in its place is the brightess of the heavens
And the waves roar as they strike the shore
I lay back with thoughts on my mind.

As the dreams flow on and on forever
I am awakened by the voice of a gull
With his beauty and grace flying high.

With the warmth of the sun on my face
And the coolness of the stone where I lie
I am content in myself and with myself.

But for you there is no peace of mind
Forever running away from yourself and the truth
I am afraid for you, my friend.

Finally with much time and devotion you have
come to know yourself
As the person you are and the person you once were
My friend, you have changed for the better.

Oh thank you God for this change in his life
Even though it is better than before it is
still not perfect
As he does not have you in his heart.

As You Walk Along

As you walk along the sandy beach,
do you listen to the crash of the angry waves
against the barren rocks?
Or do you kneel down, take a handful of silken sand
and let it sift through your fingers?

As you walk along the forest floor,
do you look up and marvel at the
noble, stately Redwood trees?
Or do you breathe in the fresh, forest scent
of bark, moss, and soil?

As you walk along the mountain trail,
do you look up and gaze at the clear, blue sky
untouched by cloud or mist?
Or do you touch the newly budded blossoms
and feel their fragile and velvetten petals?

As you walk along,

Above the majestic silhouettes

I Saw Tomorrow In The Fog

Remnants of the past,
Shattered hopes and dreams,
Gallons of tears throughout the years,
Failing, trying, eventually dying,
My soul embittered, rage is my king!
The days of the past, memories spectacular
The learning, the yearning,
Striving for success, never accepting less,
Never being second, but always being Best!
Being places, seeing faces
The many miles of countless smiles,
Have blessed me through those years.
Remembrance of the past
Its gladness, the sadness,
Only it never seems to last,
Just faded dreams, more or less
But I saw tomorrow in the fog
As a wall of hope
Crashing down upon my soul.
I was once again reborn,
Savouring the tear that may happen to fall
Discovering that life is never a game
Living each day without fear, without shame!
The chances I took, an uncertain outlook
With clear skies I could not see tomorrow
For all I could see was my bitter sorrow
But while trapped in the fog-laden passage of fate
I saw tomorrow before it was too late.

MESSAGE TO MY FRIEND

Dear Friend:

Though the years and the miles
have divided our paths, and time goes
marching by,
The tears and the smiles you gave me will last,
Along with my efforts to try —
to let you know in some small way
What a friendship like yours is worth,
Though nothing considered more precious,
at least not here on earth
And when you need a helping hand
and perhaps a shoulder too,
Don't hesitate, my friend, to let me know
I'll do the same for you.

From Someone Special to Someone Special.

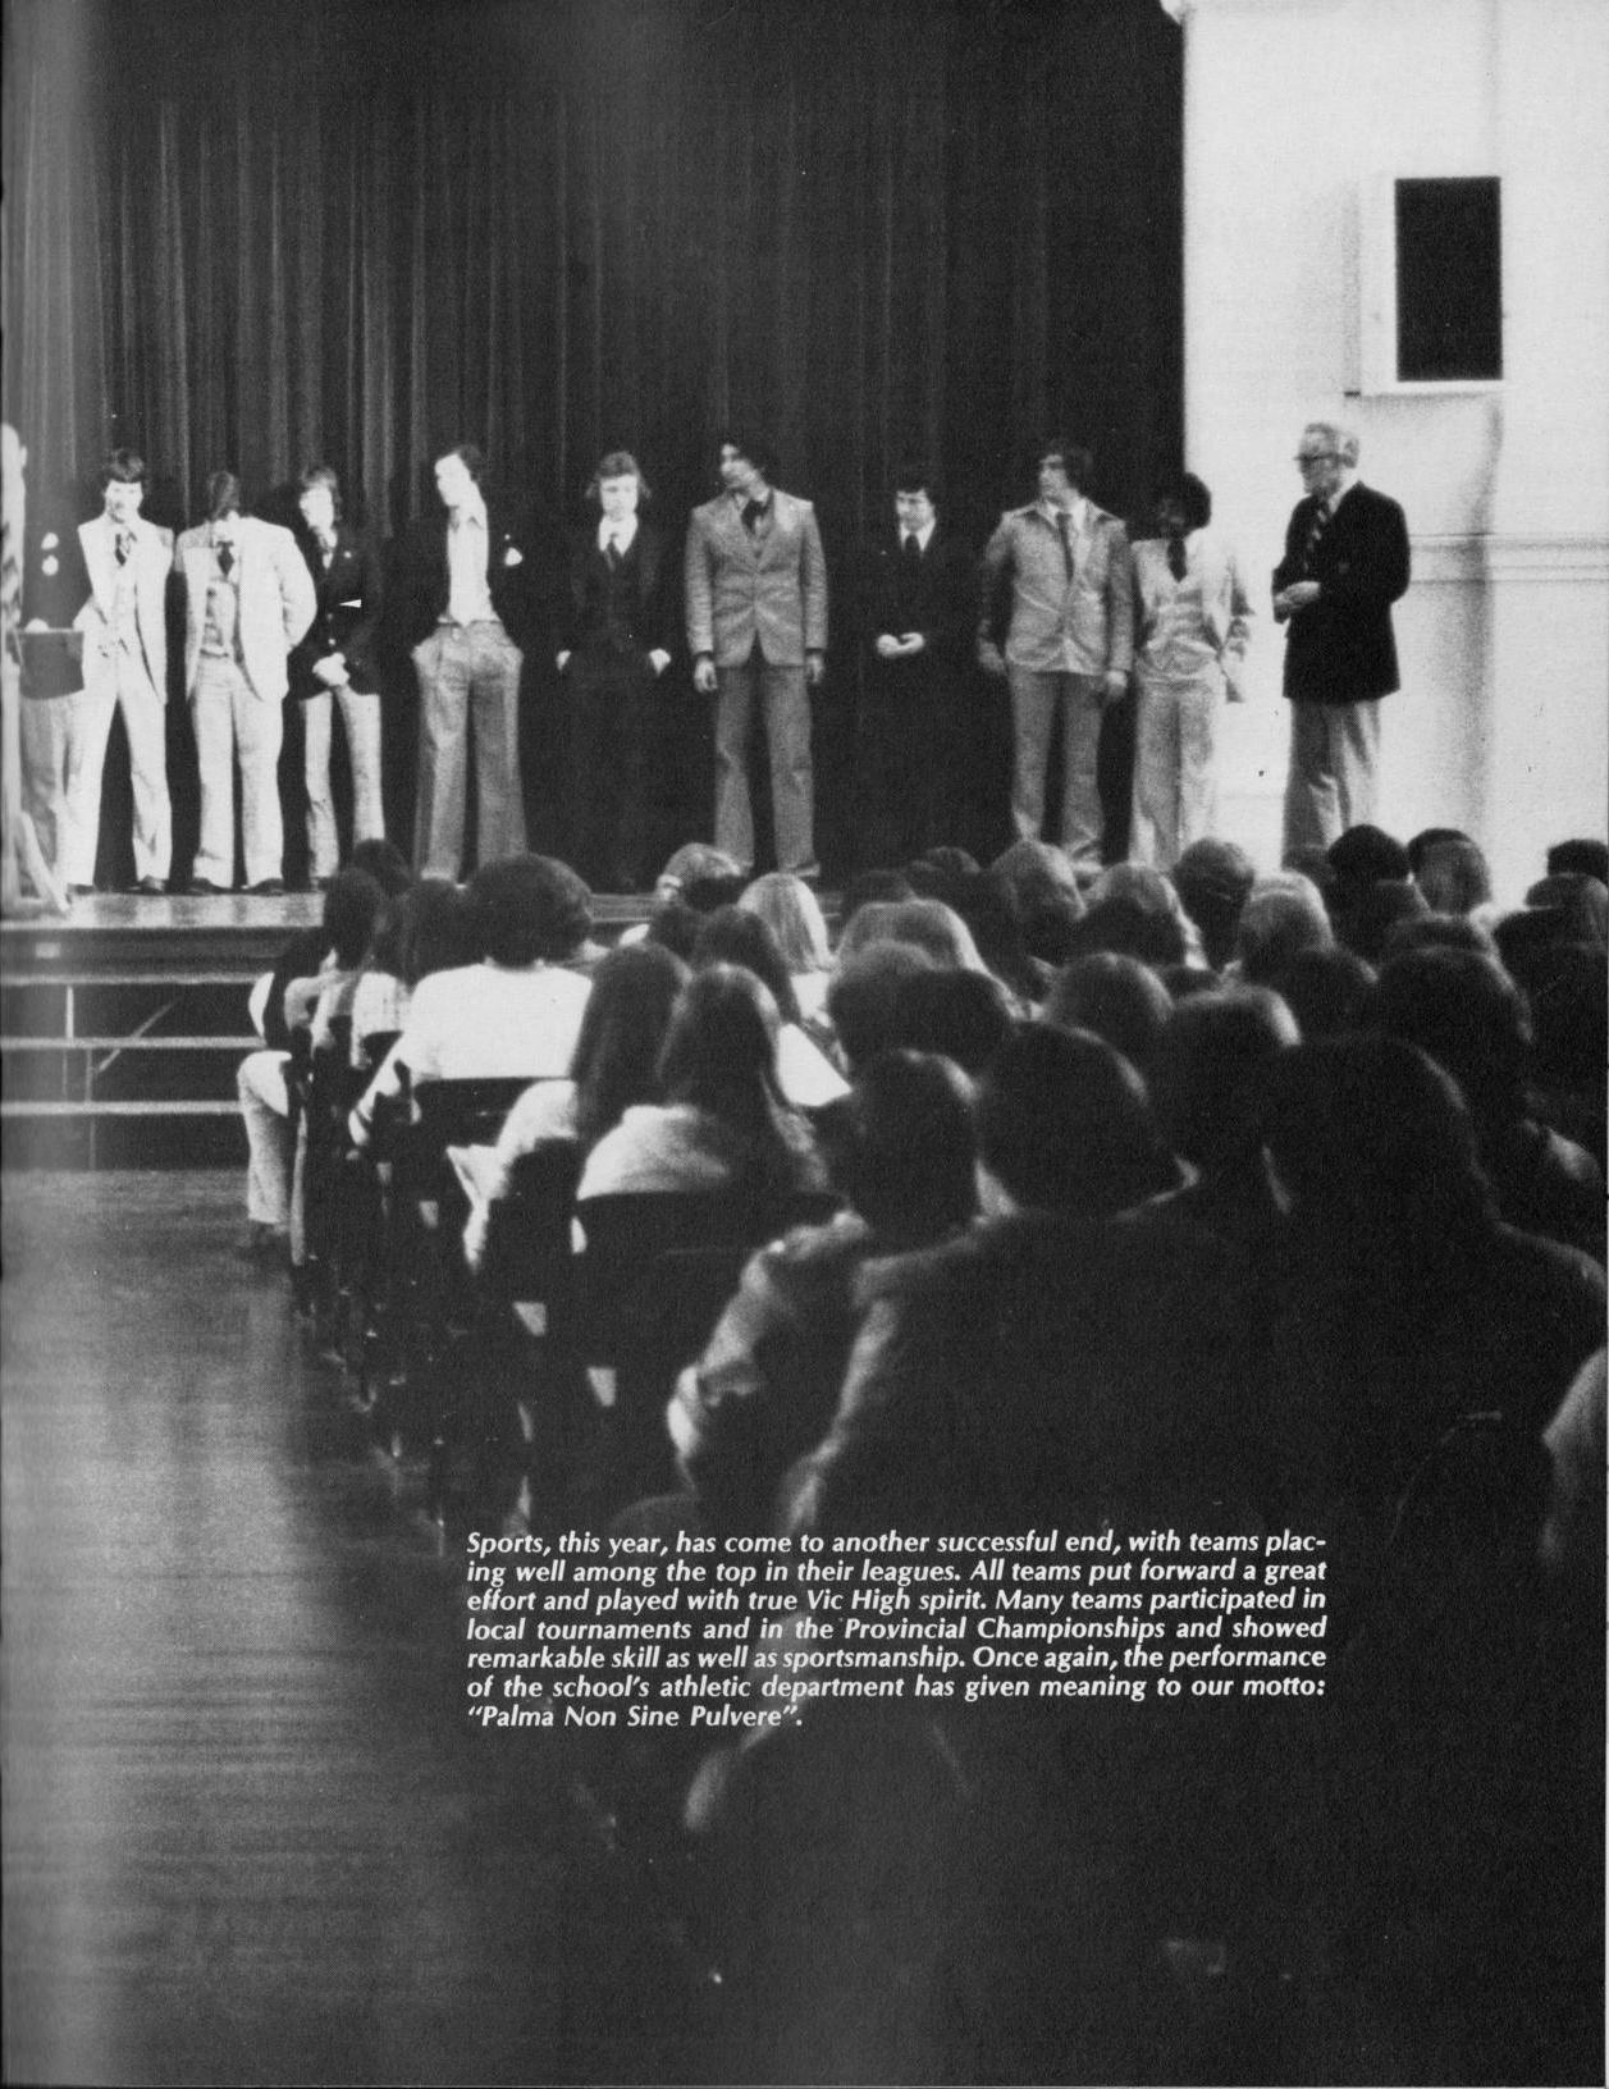
"Palma Non Sine Pulvere"

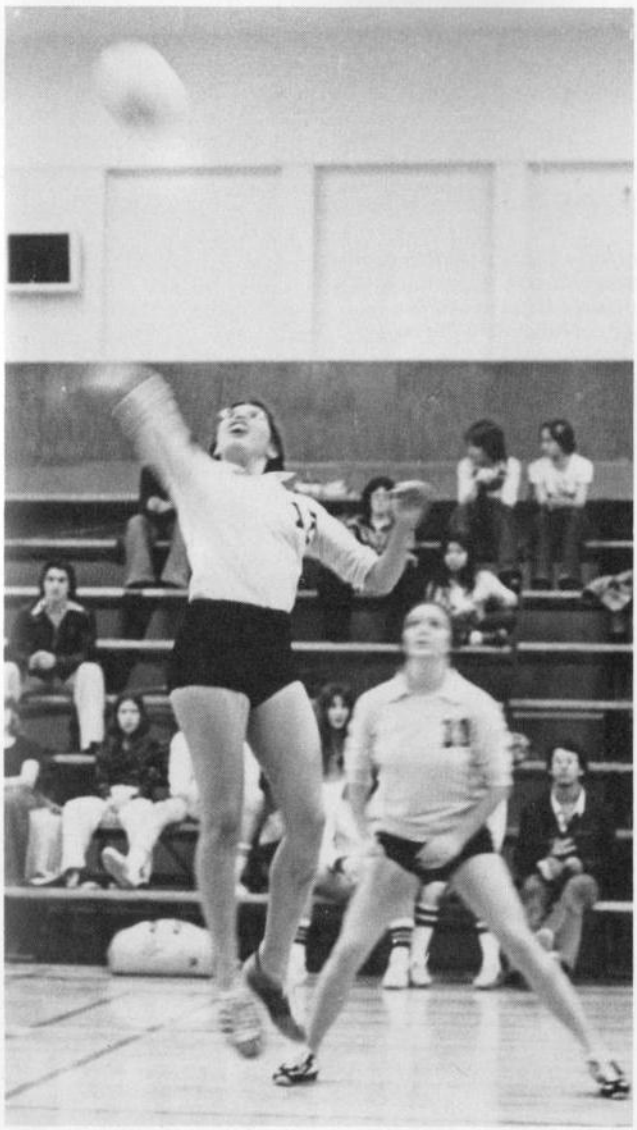


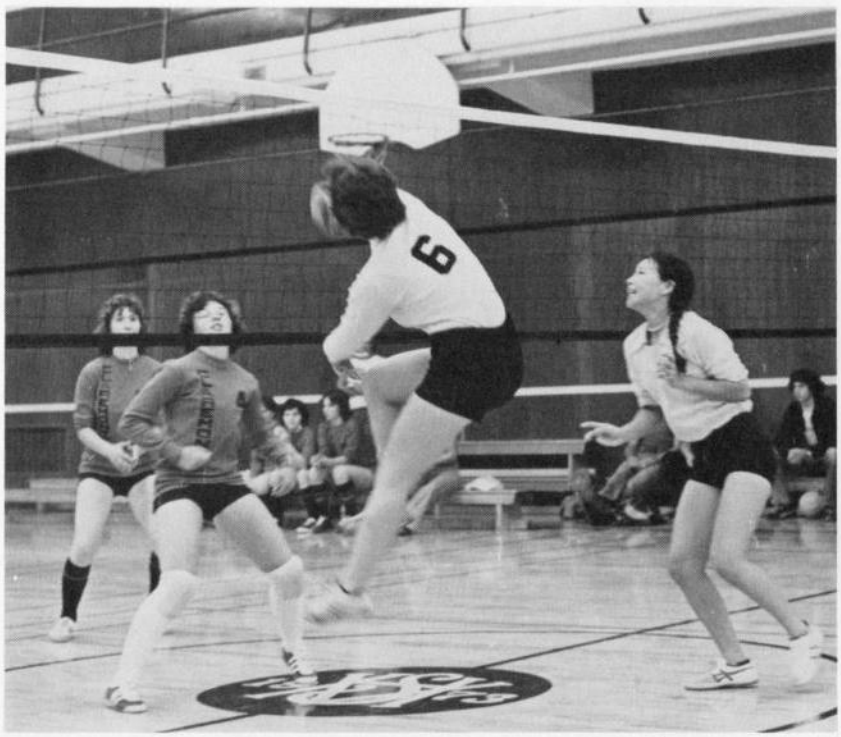
Sports, this year, has come to another successful end, with teams placing well among the top in their leagues. All teams put forward a great effort and played with true Vic High spirit. Many teams participated in local tournaments and in the Provincial Championships and showed remarkable skill as well as sportsmanship. Once again, the performance of the school's athletic department has given meaning to our motto: "Palma Non Sine Pulvere".

Tikis Place Second in B.C. Championships

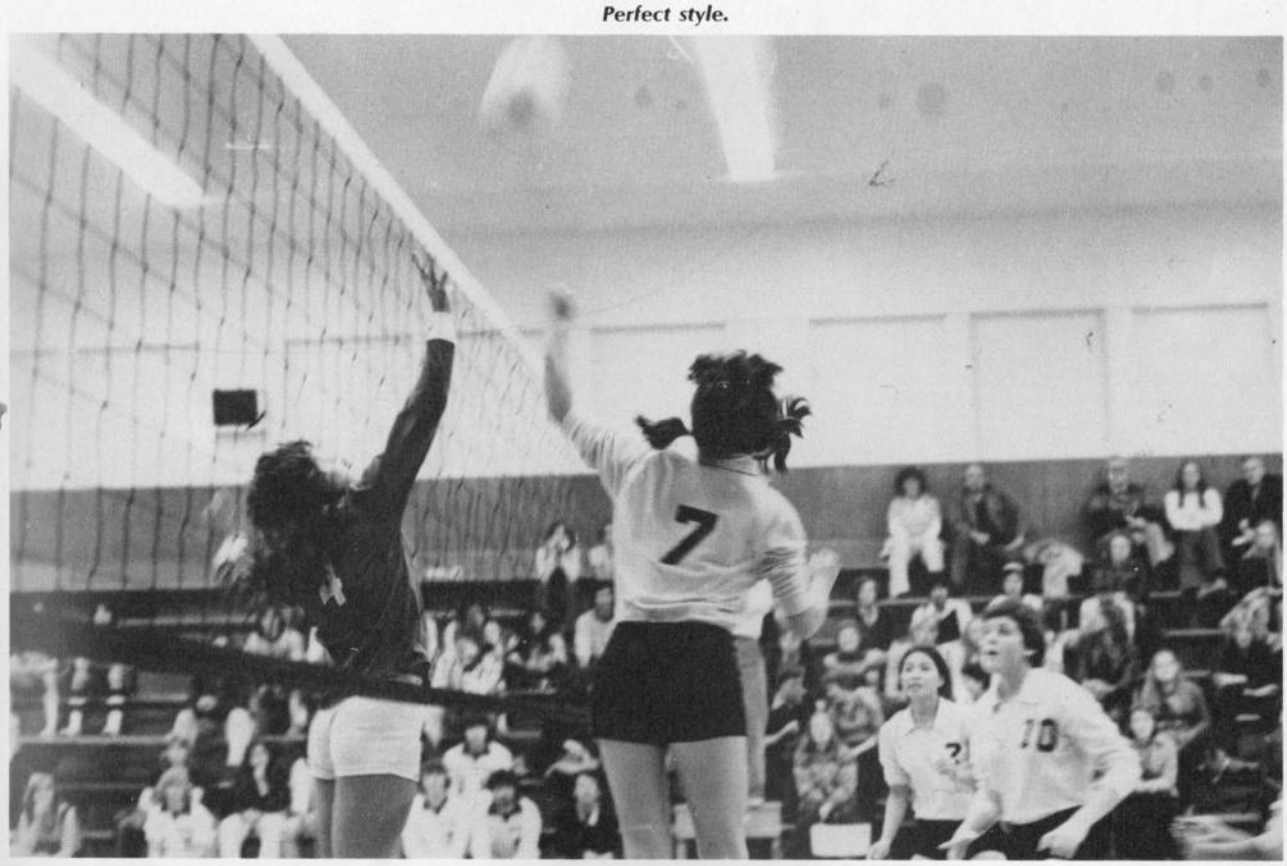
This year the Tikis have completed another successful season being undefeated in all league games. They also competed in three exhibition tournaments. They placed first in the Mt. Douglas Invitational, third in the Centennial Sr. Invitational and third in the Courtenay Invitational. In the Lower Island Tournament they placed first, and in the Island Tournament second. The team travelled to Nelson to compete in the B.C. Tournament playing to a rewarding second place finish. Standing L-R: Mrs. Egan (coach), Louise Harrison, Barb Milligan, Donna Thomson (captain), Sandy Lewis, Teri Paone, Janet Lorimer, Kim Peterson, Sandy Glendale. Sitting L-R: Tracey Sheldrick, Cindy Lowe, Sharon Dhillon, Lisa Hayton, Jackie Pellizzon (manager).

"Hi there, we're from Vic High!"





Perfect style.



Rebuilding Year for Tsasquatches

1976 was a rebuilding year for the Tsasquatches, with only three players returning. Working hard, they finished third in the league, third in the Lower Island Playoffs, and a disappointing sixth in the Island Playoffs. At the Island Playoffs, Roger Racine was named to the first all-star team and Mac Webb was named to the second all-star team. The Tsasquatches would like to thank their coach Jim Reid and their sponsor, Mr. McCarron, for all the hard work and time they contributed to the team. This year's team would like to wish all future teams the best of luck.

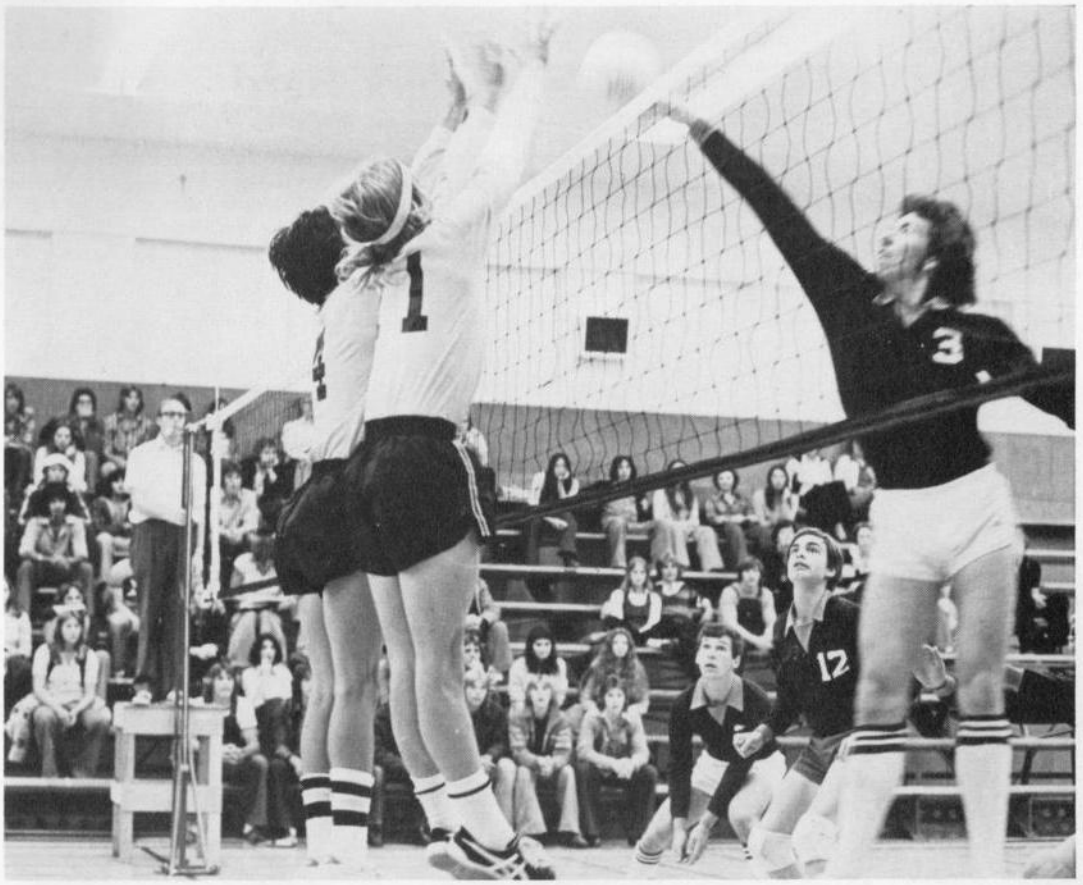
"Good bump, Mac!"



"It's my turn!"

Takus Win City League

The Takus were an exceptionally strong team this year. Their playing ability consistently exceeded the quality of competition provided by the 'B' league. They enjoyed a season of uninterrupted victory, and placed first in their league. Participating in the Lower Island 'A' Tournament on an invitational basis, was both an honour and a challenge. Standing L-R: Evelyn Schauerte, Lesley Metcalfe, Julie Alexander, Chris Côté, Louise Wowchuk, Jennifer Hall, Gwen Brodsky (coach). Sitting L-R: Cathy Higgins, Karen Lindquist. Missing: Cheryl Poole (captain), Sharon Lofthouse, Kathy Collings, Nora Glendale.

Tyees Work Hard

The Tyees had a very frustrating season with key players away due to All-Star commitments or injuries. They did however finish in Division 1, but missed the Colonist Cup Playoffs by one point. Congratulations to Dave McCaig for being named to the "Under 16" Provincial Team and to Ian Bridge for being named to the "Under 19" Canadian Team. Standing L-R: Mr. Valdal (coach), Murray Jacobs, John James, Hannu Harju, Keith Ferguson, David Ashwell, Mike deGoede, Ian Bridge, Gord Strating, Chris Dowds, Dave Williams. Kneeling L-R: Tom Dickie, Bob Godfrey, Dave McCaig, Wayne Windsor, Clarence Duits, John Spadafora, Bill Scobie, Stan Chang, Phil Hoult.

Tyettes After Colonist Cup, Again.

This year the Tyettes got off to an enthusiastic start with about 29 girls coming out to play soccer. Because the yearbook was sent in at the end of March, we were unable to tell how league play went. Special thanks must go to their coaches and sponsor. Kneeling L-R: Mr. Brice, Phil Holt, Wayne Windsor. Back row L-R: Esther Shaughnessey, June Wong, Tracey Sheldrick, Donna Thomson, Lisa Hayton, Jamie Hunt, JoAnn Schauerte, Laura Fish, Cheryl Houle, Sherri Pynn. Front row L-R: Leslie Hunt, Glenda Ngai, Lois Verpe, Rose Mulholland, Lori Hobson, Carolyn Jones, Cheryl Poole, Nona Joyce, Jackie Pellizzon.

Tomahawks Host B.C. Tournament

This year's Tomahawks placed fifth in league play. They represented Vic High in the Victoria Finals and were undefeated and unscored upon in this Tournament. Unfortunately they did not score enough goals to carry them through when goals were counted to break ties. The Tomahawks hosted the B.C. Tournament. They also toured to Kelowna with Mt. Douglas and Oak Bay teams to play in a twelve team invitational. Standing L-R: Jeannette Riecheneder, June Wong, Joanne Hennekes, Linda Reid, Glenda Ngai, Kerry Peterson, Margo James, JoAnn Schauerte, Vicki Fitzpatrick (captain), Miss Hanslip (coach). Sitting L-R: Rose Mulholland, Lori Hobson, Nona Joyce.

Strong Year For Titans

This season the Titans engaged in the most ambitious rugby schedule in the history of the school. Practices began in mid-September with the first of seventeen exhibition games against Brentwood College, who they defeated 12-0. These pre-season games included the Fall B.C. Tournament in Vancouver where they won three and lost two. Their exhibition record was eleven wins, a tie, and five losses with 280 points for and 95 against. In league play, they recorded 9 straight victories, no defeats, with 226 points for and 47 against. The United Kingdom tour extended from March 16 to April 10. They played two games in England, two in Scotland, two in Ireland and finished with one in Wales. Immediately upon returning the Titans played the semi-final for the Howard Russell Cup on April 13. Standing L-R: Mr. Briggs (coach), Don Kirkwood, Ken Hood, Dave Low, Dave Marcussen, Mike deGoede, Steve Forsythe, John James, Jeff McDougall, Rob Blundell, Pat South, Murray Clarke, Tim Crawford, Laurie Bunch, Marty Mader, Tim Curtis, Terry Siklenka, Art Messenger, Tim White, Paul Michael (captain), Allan Singh (manager). Tigers Bring Home Bronze Medals

This year's Tigers had another successful season finishing league play with thirteen wins. They came second in the Lower Island Finals after losing a very close game to Reynolds, but returned even stronger at the Islands to defeat them 60-41. It was Reynolds again at the B.C.'s though, defeating the Tigers by only two points. They then went on to defeat M.E.I., the number one Fraser Valley team, to take the bronze medal. The team was coached by Miss Barrie Hanslip, under the able direction of Mr. George Andrews. Standing L-R: Ann Domke (manager), Jennifer Hall, Donna Lomas, Kim Peterson, Linda Reid, Teri Paone, Vicki Fitzpatrick (captain), Miss B. Hanslip (coach). Sitting L-R: Louise Harrison, Sandy Lewis, Joanne Hennekes, Lesley Metcalfe, Cathy Higgins. Missing: Janet Lorimer.

Totems "Most Sportsman-like" Team. Again!

The Totems showed great improvement this year finishing leagues play with a 9-4 record. They were eliminated in their third game in the Island Finals and finished in fifth place. Congratulations to the team for being voted "Most Sportsman-like" at both the Oak Leaf Classic and the Island Tournament. Congratulations also to Ian Bridge, for being named to the Island All-Star team. Top L-R: Jim Wong, Ian Bridge, Dean Potter, John deGoede (captain), Shawn Corness, Bob Godfrey, Dan Lissowski. Bottom L-R: Mr. Valdal (coach), Nick Bennett, Kris Adams, Dean Norris-Jones, Harvey Thorau, Eriks Raiska (manager).

Tiggers Undefeated in League Play.

The Tiggers had a very successful season, remaining undefeated in their league games. The team would like to thank Mrs. Egan, their sponsor, Jim Wong and Eriks Raiska, their coaches, for all the time they contributed. Standing L-R: Mrs. Egan (sponsor), Sharon Dhillon, Jim Wong (coach), Terri Hutton, June Wong, Donna Thomson, JoAnn Schauerte, Eriks Raiska (coach). Swim Team Places Third In Province.

The Swim Team, building on last year's successes, has placed Vic High right back into provincial competition for the first time since the 1940's. In the City Meet the team was second in both 'A' and total aggregate, right behind Mt. Douglas. At the Island Zone Meet they beat Mt. Doug in 'A' and again were second in total aggregate. Also at the City Meet Barb Packford was presented with the Smirl Trophy for outstanding leadership and sportsmanship. At the B.C.'s the team swam six relays, winning four and coming second in one. Individuals were equally successful in collecting medals. The team returned with four trophies, eighteen gold medals and 12 silver and bronze medals. Out of seventy-four schools participating, Vic High won the 'A' competition and came third overall; quite an accomplishment for such a small team! No matter what the Swim Team does in the future, 1976 will rank as one of the most successful years of swimming in the school's history. For this the team wishes to thank Mr. Somers and Mr. Packford, the coaches, for all the time they contributed. Top L-R: Dave Miller, Barb Packford (captain), Ted Packford, Dale Sparrow, Kerry Peterson, Kim Peterson, Raymonde Sakaily, Lorrie Collins, Tracey Sheldrick, Brett Whytla, Greg Reid, Ken Rozin. Bottom L-R: Mr. Fred Packford, Mr. Bruce Somers (coaches). Missing: Cheryl Grant, Gina Shpirik, Stan Davis, Bruce Manning, Linda Reid.

Successful Year in Cross Country

This year's Cross Country Team had a very successful season completing the seven race league with the girls' team placing fourth and the boys' team third in league standings. In the Vancouver Island Championships the girls' team placed fifth and the boys' team third with Randy Cox winning the boys' four mile competition. The boys' team travelled to Kelowna for the B.C. Championships and placed eleventh in the province. Back L-R: David McLaughlan, Gary O'Donnell, John Johnston, Kevin Hancock, Jeannette Reicheneder, Linda Reid. Front L-R: Randy Cox, Dennis Wagner, Bob Rainsford, Dorothy Collier, Glenda Ngai, Sherri Pynn, Joanne Norgaard. Reclining: Mr. Newell.

As the school year ripened, various activities and groups were formed as a result of Clubs Day, when all enthusiastic students gathered in the gym to join the numerous clubs. Special displays were set up to encourage interested students to sign up for the clubs of their choice.

A trip to the Careers Expo display at the Esquimalt Sports Centre offered students an excellent opportunity to observe and discuss various vocations with representatives from each field of work.

Sparked by a music-filled afternoon, Vic High was honoured with a performance from Laszlo Gati and The Victoria Symphony Orchestra, who received a warm welcome from the packed house in the G. L. Andrews Gymnasium.

Miss Camosun Contest 1977

During the early part of the school year, our annual "Miss Camosun" contest was staged. We had six "gorgeous" contestants, six pairs of lovely, luscious, hairy legs, making it a close race, but after all the beauties had been considered, Allan Singh, (Miss Titan) was the most "outstanding!" Our two emcees, Stella and Myrtle, (aptly played by Debbie and Julie Anderson) presented Al with the "Miss Camosun" sash, but unfortunately, it was a little snug!

Skits promoting the yearbook were performed by the Calamity Players preceding the contest. Thanks go to Mr. Mayne and Mr. Baur for their help in producing the corn, and to Mr. Johnston for his stage help.

The show was a great success, enjoyed by all.

Drama Crew Work Day and Night on Major Production

"Romanoff and Juliet" was the well received major work of the Drama Club this year, aptly directed by Mr. Denis Johnston and produced by Mr. T. Mayne. The play was a 20th century takeoff on Romeo and Juliet by Peter Ustinov. The comedy involved the romance of the son and daughter of Russian and American ambassadors in the smallest country in the world. The story ends happily, the couple marry, broken hearts are healed, and differences between the Ambassadors are somewhat relieved. There was fine acting, good costumes, set construction and organized stage work involved in this popular play. Congratulations go to all persons involved.

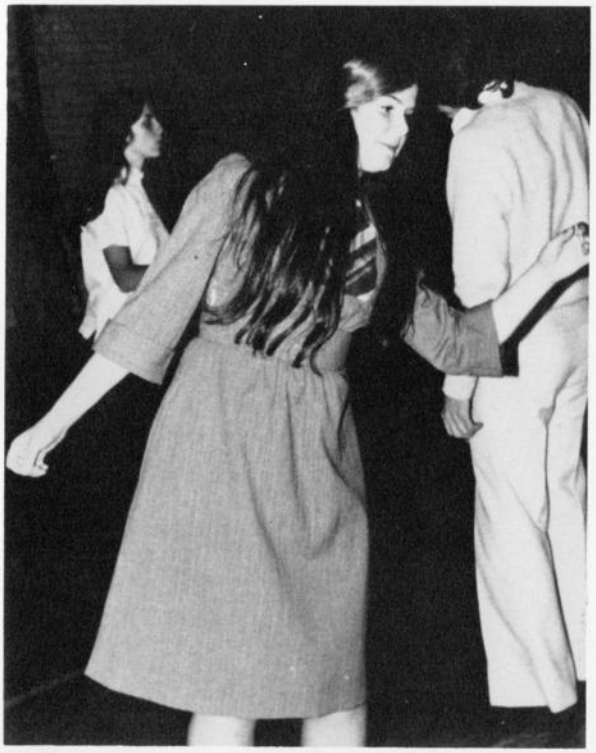
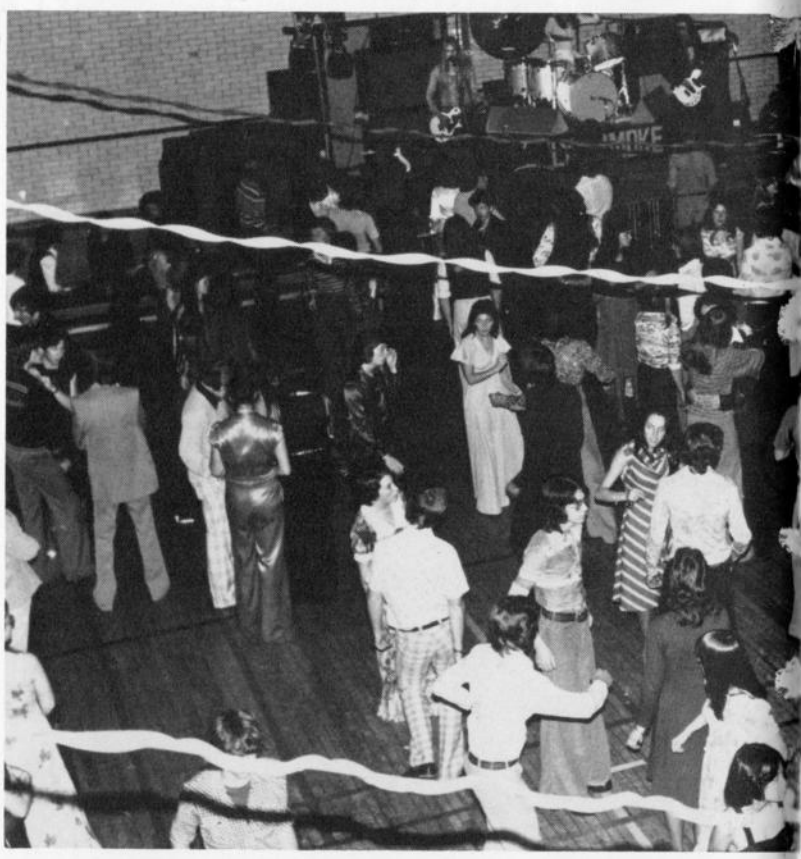
Dances, Dances, Dances . . .

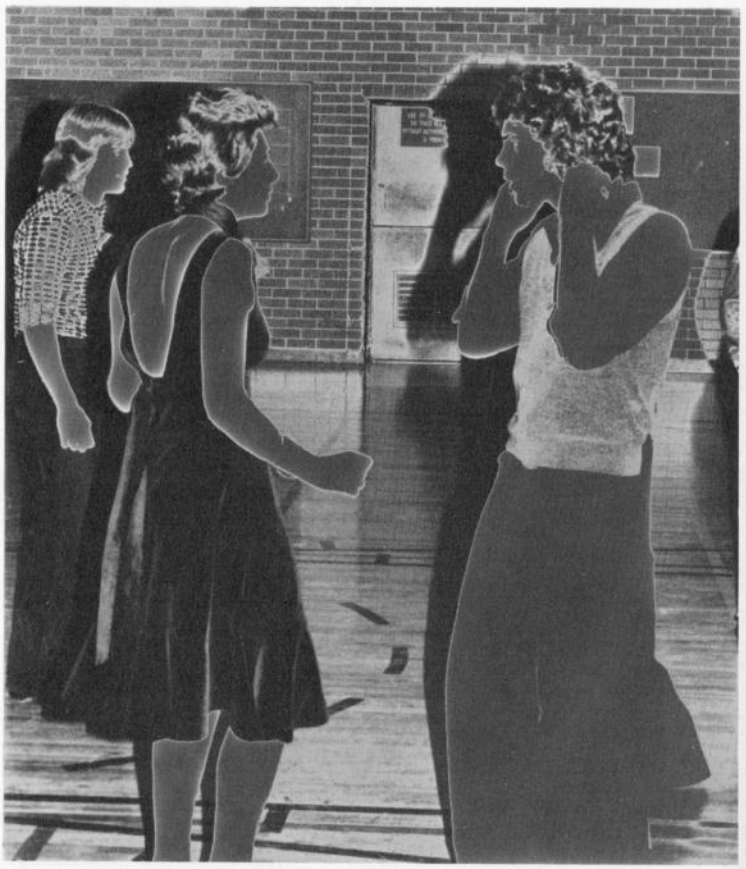


What a doll!



". . . the roar of the greasepaint, the smell of the crowd."

Like father, like son.



After one too many . . .

After the ever popular Christmas exams, which nearly all students had to write, a dance featuring the group "Holy Smoke" was held to bring in the Christmas cheer (or was it for recovery?). All students seemed to have recuperated from these exams, and came back to school after the holiday season, prepared to resume their classroom routine.

Other dances held throughout the year included the annual Homecoming Dance, which saw the grads of '76 return to visit the school. Lunch hour dances and sockhops with canned music was provided by radio station CKDA, and in the early spring, the music of "Shadow Lust" was enjoyed by all who attended this first dance in the Andrews Gym. This dance saw Vic High play host to a visiting school band from Edmonton, who had earlier given us a performance in the auditorium.

Shake your booty!

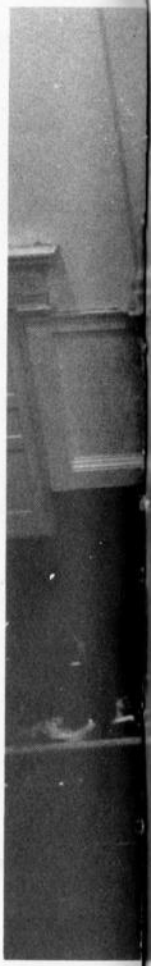
March set the scene for a males-versus-females Penny Drive, with the proceeds going towards the Victoria Lions Kiwanis Club in aid of the crippled children. The boys proved to be the "richer" sex, resulting in the girls auctioning their gorgeous legs for the following Slave Day.

"Bring on the chicks!"

"Do I hear 25 cents?"

No sale.



Following in the footsteps of "Dial-A-Date," the illustrious Vic High Computer Math class of Room 201 tried its capable hand at matchmaking (most of these matches involved two people from opposite genders). By filling out personal questionnaires revealing the "bare facts" of the individual, this information was fed through the computer. Now was the big chance for Vic High students to find the "ideal" match! Response to this "just for fun" gimmick was tremendous, and it also brought out some surprising results.

"Wow, you got Mr. Blasner!"

"Oh gosh, look who I got!"

"Do you take requests?"

"When people are free to do as they please, they usually imitate each other."

The Camosun Yearbook Staff

Editors' Message

As this year was the first of a new century for Vic High, we wanted this Camosun to carry on the tradition of those other great ones that have gone before it. In this yearbook we have tried to preserve for you the memories of perhaps, some of the happiest, most well-spent years of your life. We hope that you enjoy the yearbook as much as we have putting it together.

Our thanks goes to the Writing 11A class, Div. Reps and Mr. McCarron for his literary guidance.

A special thank-you goes to Mr. Chan for his time, patience and guidance. For it is his ideas that make the Camosun stand out from the rest. Without him, this yearbook wouldn't be any different from any other school's.

To all future staffs of the Camosun, we give you our best wishes; you will find it a rewarding experience as we did.

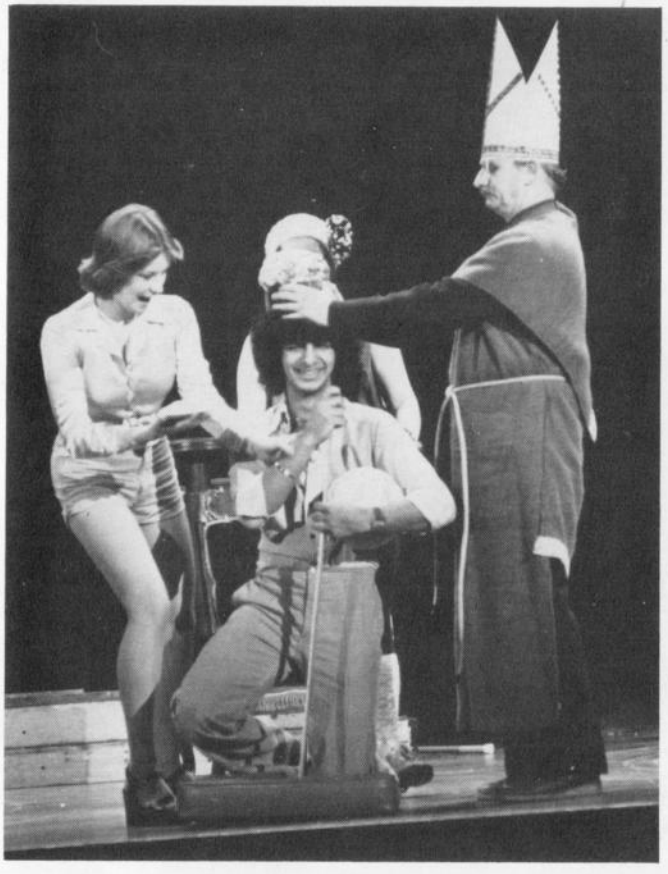
Calamity Players

This informal dramatic group has been in operation at Vic High for over twenty-five years. In that time dozens of skits have been written and produced by the enthusiastic members for the entertainment of the student body.

The sponsors were Mr. Mayne and Mr. Baur. The members were: Bruce Marshall, Brenda Marshall, Diane White, Telen Yu, Barb Leonard, Pat Chan, Cheryl McGavin, Jeanne Clayards, Eleanor Underwood, Greg Seear, Don House, and Holly Lane.

This year saw the production of one skit in November and two in the spring term.

P.S. If you ever need help with HAM, contact this group, the S.P.C.A. (Society for the Production of Corn at Assemblies).

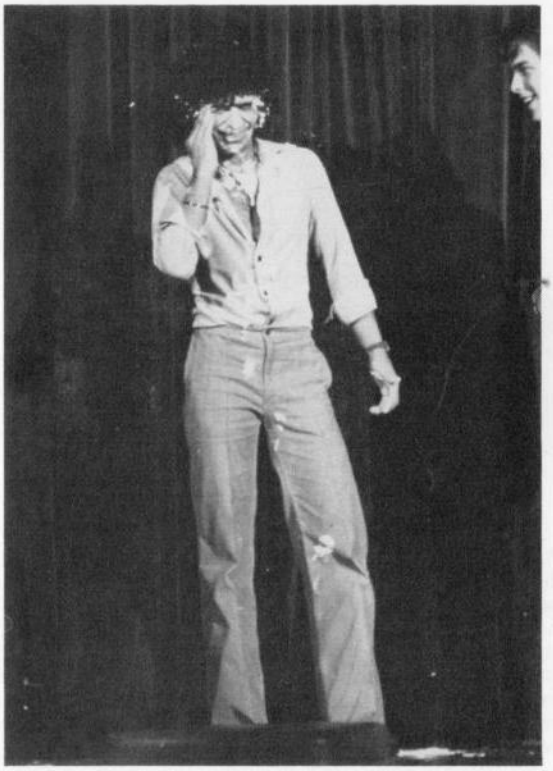


"Bless you, my son."

The ABC and D Club

This year's ABC club did excellent work in making posters, raising money, and helping to co-ordinate dances and other various school activities. They met during lunch-times in room 204 to discuss decoration and advertising of school dances and other important activities. The members were: Brenda Marshall — president, Yvette Jones — vice president, Sharon Randhawa — secretary, Shirley-Lee Horner — artist, Diane White, Barb Gow, Sandra Smethurst, Mary Viszlai, Lynn Ostle, and Barb Leonard.

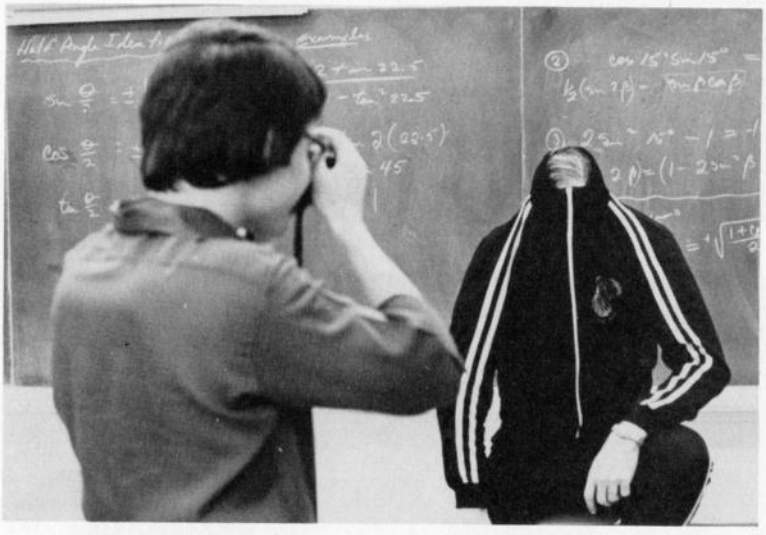
SPLAT!



"I should've stayed in bed."

Vic High Photography Club

This year's Photo Club as in the past was the major supplier of the Camosun Yearbook photos. Many thanks go to these avid "shutterbugs" for all their time and effort behind the camera and in the darkroom. The major contributors were Jack Gough, Donald Chan, John Chow, Ron Basi, and Edmund Nesling. Mr. Chan was again the sponsor. Special thanks go to David Cottle, Yvette Wong, and Anna Lui who were too busy and missed the club photo.



"I take it you're camera shy."

"It takes all kinds!" Click, click!

Sp-aides (Special Aides)

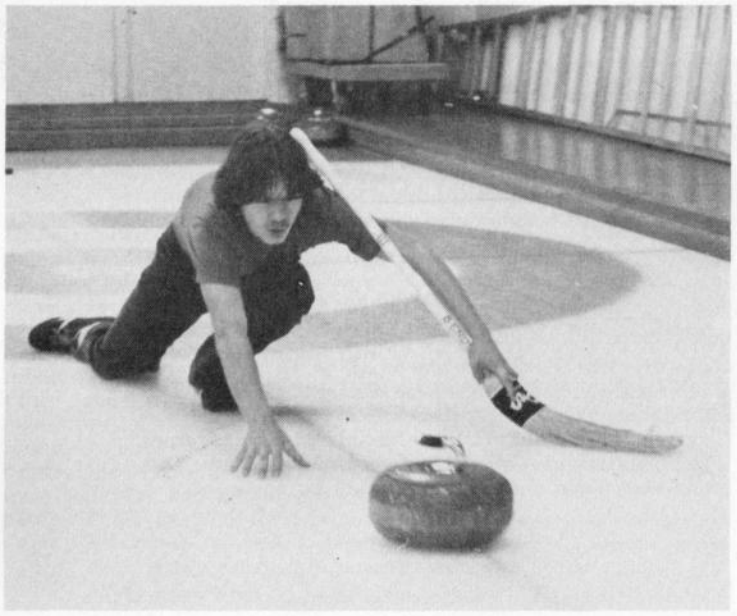
The Sp-aides club was perhaps the most helpful club of all. The main objective of the club was to help people in need. They did lots of volunteer work in the community, some of which included helping children in the Bishop Cridge Home, chatting with residents in Aberdeen Hospital; some of the members also worked with the physically and mentally handicapped in the Victoria Handicapped Center on weekends. A sign language course was even taken by some of the members during the year. Special thanks go to Mr. McHugh for sponsoring this very special club.

Vic High Sailing Club

Mr. Camp and Mr. Wickstrom did a fine job in sponsoring the sailing club this year. They provided instructions in boat safety, knot tying, rope work and chart reading. The members had the opportunity to sail on Mr. Wickstrom's and Mr. Camp's yachts. The year went swimmingly well for the sailors this year. The members were Brenda Calvo — vice president, Jen Côté — secretary, Dave Cowper, Stephen Harding — president, Lynn Ostle, Mary-ann West, and Mary Vizlai.

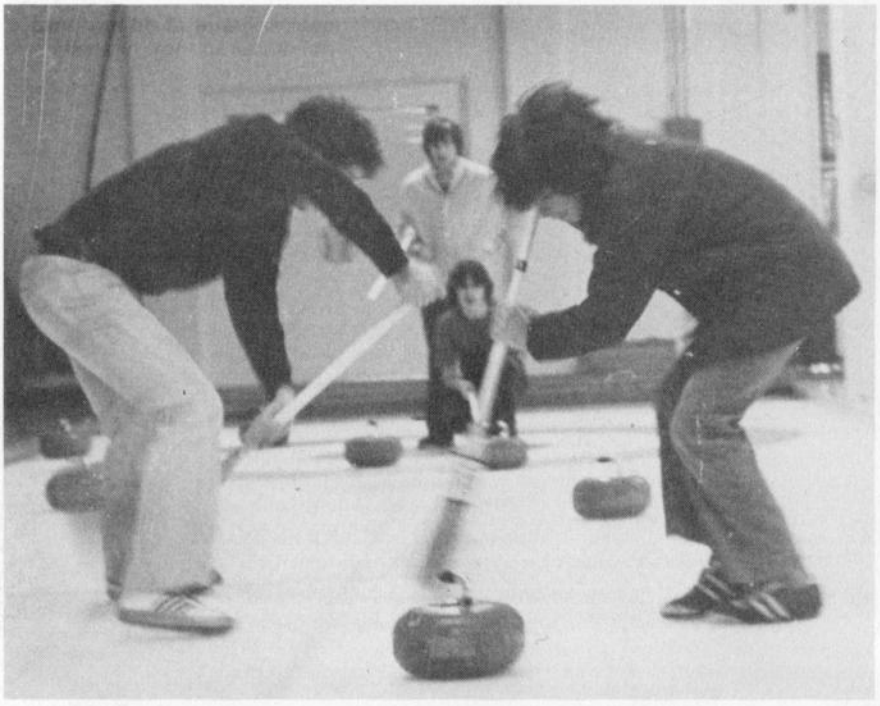
Time-Piece

Vic High's school paper, the Time-Piece was written by and for the students of the school. The staff would like to thank their sponsor, Mr. McCarron for all his help and guidance. Also, the Commercial Office staff, particularly Mrs. Briggs and Mrs. Burgis, both of whom went out of their way to help get the paper printed on schedule. The members were Karen Cawker and John Chow, the editors; Jennifer Hall, Tom Hardings, Maria Lohner, Linda Quan, Susan Shaw, Lora Tuthill, Sherman Lang and Marlene Wong.

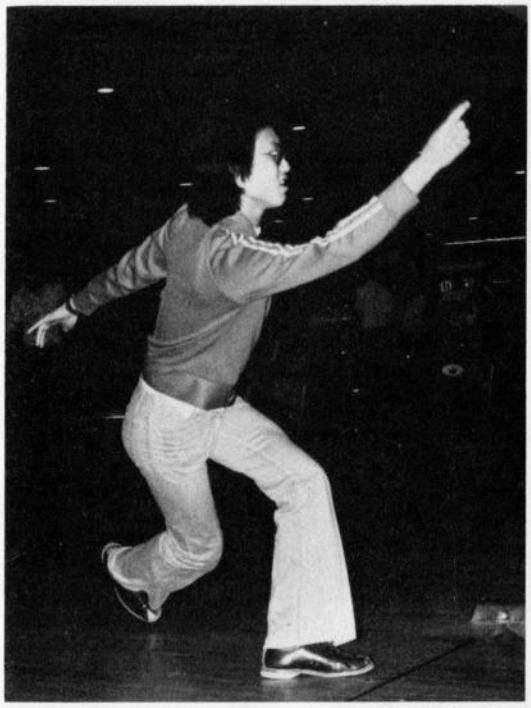


The winning form.

Good follow through.



"They should clean this ice."



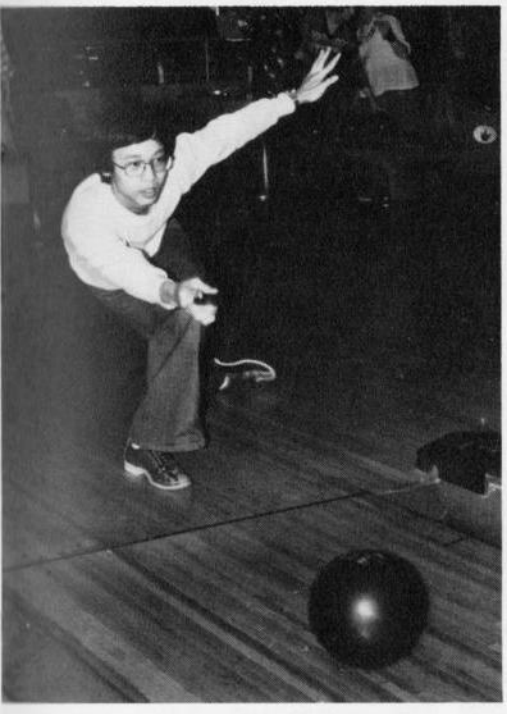
"Let's tango!"

Curling Club

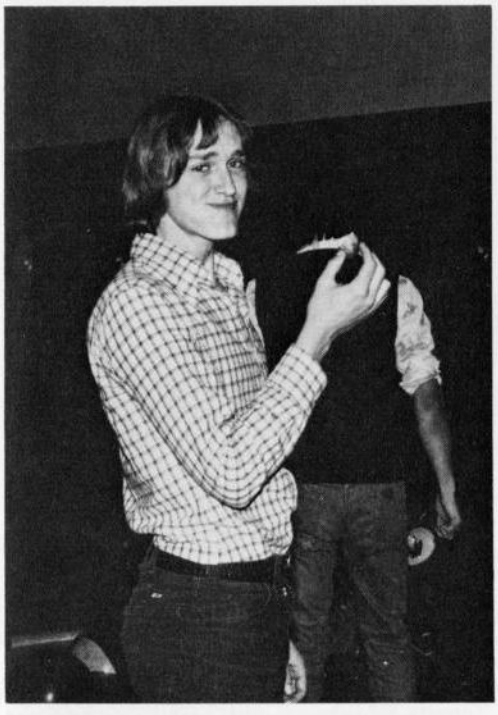
This year proved quite successful for the Curling Club with first place in the Island Junior Mixed League, runner-up in the South Island High School Boys Tournament and first in the City Junior Masters. Because of this successful season, they hope to introduce a girls league in the early part of next year.

Vic High 10 Pin Bowling Club

This year, the Bowling Club, under the guidance of Mr. Jack Williams and Mrs. Bev Stokes successfully finished another season. Every Thursday after school, about forty enthusiastic bowlers had been eagerly utilizing their skills to get strikes, spares or otherwise "gutterballs". An intra-club tournament was held and the top six teams during the regular season qualified for the Championship Round while the other eight teams played in the Consolation Series. The team of Doug Smart, Lora Tuthill and Doug Bull handily won the Championship while the team of Tom Chang, Chris Dowds and John Johnston sweated their way to win the Consolation Series.



Another strike.



"Well, it helps me concentrate!"

Guttered out.

Stage Crew

The Stage Crew of "Romanoff and Juliet" was what you might call the backbone of the production. If it were not for them, such fine plays could not have taken place. The members of this Stage Crew were Margaret Blackwood, Rosa Craveira, Russ Dewhurst, Andy Holding, Don House, Brenda Lim, Miles Lowry, Adele MacGregor and Joanne Norgaard. Oh yes, we must not forget to mention Colleen O'Donnell and stage manager Monica Griffin.

"Well it's easier than canvas."

"Hey, you guys can't score on us!"

Cheerleaders

This year the Cheerleaders helped stir the spirit of Vic High by cheering for the Titans, Tyees and Totems. Their enthusiasm hopefully, expressed outwardly what the student body felt inwardly. Special thanks go to all the girls who worked hard throughout the year. The members were Lorrie Collins, Suzanne Cooper, Yvette Jones, Cyndie Schmidt, Sue Davies, Lorrette Schaubroeck and Raymonde Sakaily.

Vic High Choir

The Choir this year studied and worked with a wide variety of music. They ambitiously planned an exchange with the Chamber Choir from Oak Harbor in Washington, as well as entering the Victoria Music Festival. A spring concert to the school was presented in an effort to demonstrate their musical accomplishments. Thanks go to Mr. Murray for sponsoring this fine musical group.

Band

Again this year the Band represented Vic High with enthusiasm. They had a very active year, highlighting it was the exchange trip with the Edmonton Public Schools' Symphonic Band. This trip was 6 days in length, 3 days of which were spent travelling, 2 sightseeing and last, but not least, one day spent performing to various schools in Edmonton. In late April they participated in the Victoria Music Festival and in Centennial Square they performed a concert during Victorian Days; both were received very well. Many thanks to Mr. Murray for his excellent support and dedication.

Vic High Chess Club

This year was very successful for the Chess team. The team won the city championships in mid-March, edging the Esquimalt team by just half a point. An exhibition round was played against Nanaimo where the team was again successful. The club was sponsored by Mr. Chell and our team consisted of Stephen Harding (capt.), Rob Reynolds, Brock Russell, Dennis Lam, Mike Lees, Gordie Chow, Tom Chang, Joseph Leung, and Terry Wong.

Table Tennis

The Table Tennis club of 1976-77 was very active and highly successful. The club met every lunch hour in the designated table tennis room off of the G. L. Andrews Gym, and very often met after school.

The highlight of the year was in early February, when Vic High's very own table tennis team played in an invitational tournament in Vancouver's Britannia Secondary School. The team consisted of: Mike Fong, Randy Leong, Frank Low, Ken Chow, Pat Chow, Ray Yee, Dave Ashwell, and Matt Reid.

They entered four teams of two's, and three of the four teams reached the final rounds, the remaining team was one match away from an over-all third place finish. Seven nationally ranked players were present at the tournament, so we were up against tough competition.

The club and team members would very much like to thank Miss Westman, their sponsor, for her patience and time, and for accompanying the team to Vancouver, which would not have been possible without her.

The Match of the Century.

Our future table tennis hustlers!

The thrill of victory — the agony of defeat.

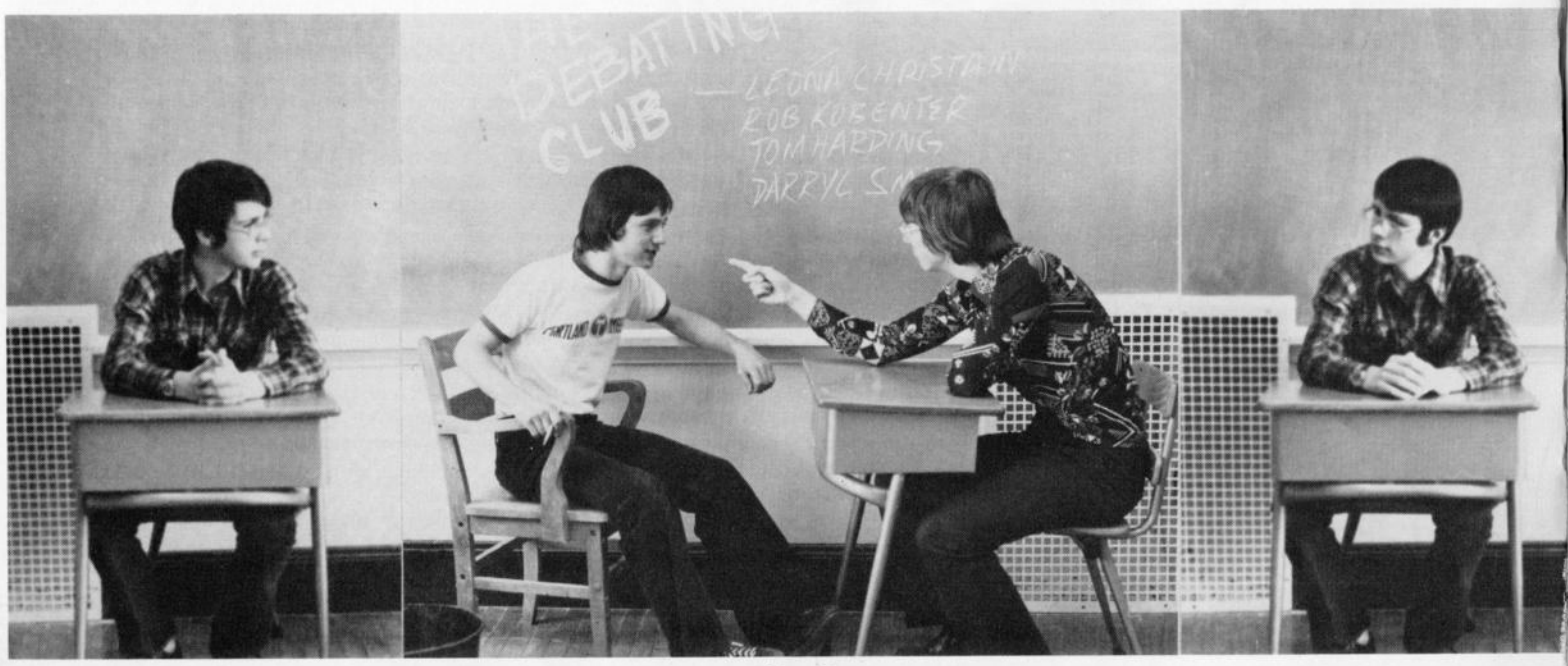
Badminton

This year, there was great participation in the Badminton Club. Many people came out on Fridays and played recreational badminton. The team, consisting of club members, practiced Tuesdays, Thursdays and participated in the inter-school league. Everyone sharpened up new skills as well as old ones, and generally, everyone enjoyed just playing.

Thanks to Mr. Tobacco for sponsoring the club, and Mr. Ed Chiu for coaching the team.

Debating Club

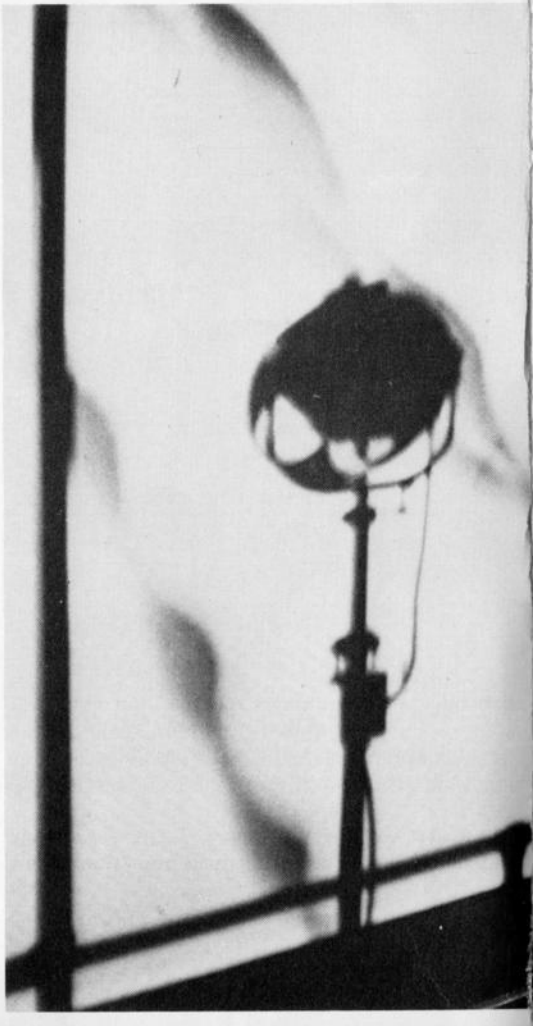
For a new club, the Debating Club had a very busy first year. These debators represented Vic High at the Vancouver Island Championships at Ladysmith; the B.C. (Hammarsjold) Tournament at Prince George; the Cable-Ten televised debates as well as many informal inter-school debates. Thanks go to Mr. Kreiser and Mr. Lund for sponsoring the club. The debators included Leona Christian (president), Paul Curtis, Tom Harding, Rob Kobenter and Darryl Smith. Congratulations on such a fine first year!



Double take.

Audio-Visual

The Audio Visual Crew did a fine job in assisting Vic High's curricular programme for 76/77. The members were Alan Dong, James Murphy and James Young. Thanks to Mr. Blasner for sponsoring them this year again.



Never trust a drunk photographer.

A bit over-ripe but still ticking.

Noon-Hour Sports

During the months of January, February and March we were entertained at lunch by noon-hour basketball. Students and teachers participated against each other, the teachers proving champions again for the third year in a row. They played three times a week with eight players per team. The teachers are looking forward to next year to add another team on to their running championship (well you never can tell!).

"Darn flies!"

Pat's Place

One of the more popular meeting places this year was Pat's Place, located across the street from the school. The members of this club met at all times, but most attended during Blocks A to G!

Tennis Club

Tennis started after the spring break when the yearbook had already gone to press. We hope that this club did well. The yearbook staff also regrets missing the Golf Club that started after the Spring break as well as the Ski Club. (Like they say "No snow, no show!")

Timers and Scorers

The Girls' and Boys' Basketball teams wish to extend their thanks to these and other students for their help in timing and scoring at the basketball games. The helpers included Carolyn Hawkins, Glenda Lake, Mike deGoede, Chris Dowds, JoAnn Schaurete with Eriks Raiska in charge.

Looking back at pictures of feelings we expressed with our face, voice and actions . . .

Come give a cheer for Victoria High!
We never falter; we never die
Raise our colours, black and gold
And cheer for the team so brave and bold!

If any one should question us why,
We give a cheer and then we reply
That we're thirteen hundred strong
And this is our fighting song!

Rah! Rah! Rah!

The Hundred-First Year

Vic High will celebrate its hundred-first year
Like many times before, with a smile or a tear
Some will be grateful, some will be sad
Their grades have been good but some will be bad.

These old Vic High walls have heard many cheers
Throughout many days, throughout many years
But life's hidden meanings and life's secret games
Have stifled our cheers and have cancelled our aims.

Remember the times you thought were a bore
And the times you could have left to return here no more
Sometimes there has to be a little bad with the good
But don't over do it and come out a hood.

The memories, the spirit, they all must live on
So remember them now before they are gone
Be happy, be glad, that you went to this school
For a job, an education is a number one rule.

School is now over and our lives must go on
But that job interview starts just after dawn
Remember summer days in a classroom of thirst
Supposedly celebrating Vic High's one hundred and first.

Valedictory Address 1977

Good evening Mr. Lorimer, Honoured guests, parents, staff, guests and fellow students.

Although I have been chosen to speak here tonight, these words are on behalf of all the grad class.

When we first approached this school two or three years ago, we were hit with such feelings as: it sure is big or is this a school? It looks more like a prison. When we came inside we still had the same feelings, the corridors were long and cold and dark, full of many new faces. Each new face frightening and unfamiliar came from Lansdowne, S. J. Willis, Central or one of the other feeder schools which supply Vic High with all its students. We were no longer individual schools, we were one school, Vic High.

We were thrown into mixed classes and this helped to warm the way. We slowly met new people and became more a part of this school. We lived through last year's circus and the big Centennial show and missed the Centennial graduation by one year. Oh well, here we are number 101.

I would like to express all the good times we've had at Vic High, but life here like life anywhere isn't a bowl of cherries. There have been days when the thought of coming to school had been the furthest thing from our minds. The thought of the same humdrum classes and the same humdrum teachers has caused several of us to play truant. Even the word "school", some days sends shivers down our spines.

Enough for bad times, the good times we've had here outweigh the bad by at least ten pounds. We've had special days to take away the monotony: Grease Day, Strange Day, Slave Day and also several sock hops.

This year Vic High took on two seemingly impossible projects, the first was the production of the three act play, "Romanoff and Juliet," by our drama club. This could not have been done without the complete dedication of everyone involved, and the excellent direction of Mr. Denis Johnston. The second was the trip to Britain our rugby team made. They saved for this trip for two years and finally made the trip in March. Although I only mentioned two projects, Vic High has done many.

We have had two or three great years at this school and we owe thanks to Mr. Lorimer and all the Staff, who we have come to know, in some cases, quite intimately.

We also owe thanks to you, our parents. You pushed us when we needed it, were there when we needed you and you taught us guys how to tie our ties. We hope you are as proud of us as we are.

Although we leave now, we the class of '77 and the 101st of this school, have the pleasure of knowing we will always be as much a part of Vic High as Vic High was a part of us.

Thank-you.

On June 16, the last formal day of school, students filed into the auditorium for Vic High's annual Awards Day. The school motto "No Reward Without Effort" was exemplified as many students received awards for effort and achievement in the academic, sports, and activity fields.

To Mr. Reid:

The knowledge that you're leaving us is
flowing down the halls.
"Oh but he'll be back", is quietly whispered by the walls.
The time you've spent, it seems so dear.
It's been a long time that you've been here.

A stranger perhaps, and yet you're a friend.
Strong willed and yet, like the trees you can bend.
A smile you gave me in the halls as we passed.
A small but friendly smile all through the year did last.

For each time that I saw you, a new one took it's place.
It seemed to pick me up while in the year long race.
As down the hall you're walking, "He's leaving us", but then;
"He'll be back again!"

— a student
